The Diary of a Gunfighter Eddie L. Barnes,2011-11-04 In a country ravaged by the horrors of a brutal civil war there were countless families torn apart by conflict and violence This is the story of one ordinary man driven by loss to extraordinary acts and circumstances Simon James Sublette lost his entire family during the Civil War He dreams of coming

home and settling into a quiet peaceful life on his family farm until those dreams are shattered by a stray bullet. Forever scarred inside and out, he abandons all he knows and loves. He sets out on a lonely journey wandering the West in a desperate quest for peace and order. But with each passing day, serenity still eludes him, and his heart grows ever heavier. Torn by grief and fighting off hopelessness, he finds beauty in a more poetic way of life. He develops the unusual trait of speaking in rhyme, especially when provoked. This trait earns him the name The Rhymer, and he becomes a fearless gunfighter who has no equal when it comes to killing. The Rhymer is a hero for women and children everywhere and a nightmare straight from hell for those evil men in need of killing.
