*Judging a Book by Its Cover* Nicole Matthews, Nickianne Moody, 2007 This collection examines the role of book covers in the marketing of popular fiction across the twentieth century and beyond Using case studies the contributors address key themes and topics in contemporary media literary publishing and business stud

**How to Judge a Book by its Cover** Kate Cuthbert, 2025-12-10 Combining both an industry and research focus How to Judge a Book by its Cover not only judges books by their covers but provides a methodology for others to do the same Despite book titles and book covers having been identified defined and discussed as paratexts beginning first with Gerard Genette and by many paratextual and publishing scholars since there is currently no methodology or defined vocabulary for the analysis and discussion of their creation the intent and effect of their structure and their constituent elements As these paratexts become further and further removed from their texts then like texts they can and should be studied especially as literature is inextricably embedded in industrial and social currents How to Judge a Book by its Cover looks more deeply at book covers and book titles two paratexts that are of broad academic interest but crucial to the placement marketing and commerce of the publishing industry Bringing together paratextual studies publishing studies and media studies visual design analysis and the world of advertising this work marries academic rigour with industry experience to first define the role that book covers and book titles play and then articulate a methodology for their analysis By identifying intent behind book covers and book titles defining the elements that may be achieved in this intent and providing opportunities to measure their success both scholars and industry professionals will have a clear and robust vocabulary in discussions of these key marketing paratexts This book can be used for students and researchers who are interested in media studies paratextual studies publishing internet studies postcolonial studies and popular fiction studies

**By Its Cover** Ned Drew, Paul Sternberge, 2005-08-11 We all know we re not supposed to judge books by their covers but the truth is that we do just that nearly every time we walk into a bookstore or pull a book off a tightly packed shelf It s really not something we should be ashamed about for it reinforces something we sincerely believe design matters At its best book cover design is an art that transcends the publisher s commercial imperativesto reflect both an author s ideas and contemporary cultural values in a vital intelligent and beautiful way In this groundbreaking and lavishly illustrated history authors Ned Drew and Paul Sternberger establish American book cover design as a tradition of sophisticated visual excellence that has put shape to our literary landscape By Its Cover traces the story of the American book cover from its inception as a means of utilitarian protection for the book to its current status as an elaborately produced form of communication art It is at once the intertwined story of American graphic design and American literature and features the work of such legendary figures as Rockwell Kent E McKnight Kauffer Paul Rand Alvin Lustig Rudy deHarak and Roy Kuhlman along with more recent and contemporary innovators including Push Pin Studios Chermayeff Geismar Karen Goldberg Chip Kidd and John Gall
