Of The Prophet Isaiah Chapters 1-39:

The Book of the Prophet Isaiah, ...: Chapters 1-39, 1898 **The Book of the Prophet Isaiah** Arthur Sumner Herbert, 1973 The Book of the Prophet Isaiah : Chapters 1-39, 1978 *The Book of the Prophet Isaiah, ...: Chapters 1-39. v. 2 Chapters 40-66*, 1900 **The Book of the Prophet Isaiah** Isaias (Propheta), John Skinner, 1915 The Book of the Prophet Isaiah Rev. Skinner, 1915 The Book of Isaiah, Chapters 1-39 John N. Oswalt, 1986 Oswalt's study on the first 39 chapters of the Book of Isaiah is part of The New International Commentary on the Old Testament Like its companion series on the New Testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation Copyright Libri GmbH All rights reserved *The Book of the Prophet Isaiah* Isaias (Propheta.), John Skinner, 1922 **Isaiah 1-39** Christopher R. Seitz, 2011-12-15 This unique commentary allows the interpretation of Isaiah 1-39 to be guided by the final form of the book It focuses on the theological aspect of the book of Isaiah giving special attention to the role of literary context Christopher Seitz explores structural and organizational concerns as clues to the editorial intention of the final form of the material which he argues is both intelligible and an intended result of the efforts of those who gave shape to the present form of the book Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry The Book of Isaiah John Oswalt, 2018-02-22 The book of Isaiah serves as a powerful testimony to the character of God and his covenant purposes When faced with impending doom from their enemies to the north the kingdom of Judah frantically asks for the salvation of God But rather than escape judgment from their sins Judah is assured that it has reason to hope God is trustworthy and will one day restore his people and indeed the entire world In this OneBook Daily Weekly Dr John Oswalt leads us in an exploration of the first thirty nine chapters of Isaiah's rich prophetic oracles Here we discover the truth about God's holiness and the depth of our sin but also the promising renewal that God is bringing to the entire creation Isaiah's narrative presents a people abounding with temptations to make unhelpful alliances with foreign nations and pagan gods Today we face the same pressing temptations in new forms will we trust God or turn to our own devices This study locates us in the story of God and offers compelling reasons to put our hope in him *The book of the prophet Isaiah 1-39* John Skinner, 1963 **The Kingdoms of Israel and Judah in the Eighth and Seventh Centuries B.C.E.** Antoon Schoors, 2013-09-20 Antoon Schoors is Professor Emeritus in the Faculty of Arts Katholieke Universiteit Leuven He is the author of I Am God Your Saviour A Form Critical Study of the Main Genres in Isa XL LV Brill The Oxford Handbook of the Prophets Carolyn J. Sharp, 2016 This volume engages the cultural norms and theological convictions of ancient Israel in the shadow of the Egyptian Babylonian and Persian empires Essays explore ancient Near Eastern historical contexts interpret prophetic narratives and poetry offer feminist materialist and postcolonial readings and more

Indispensable for scholars and students of the prophets *Reading the Prophets as Christian Scripture (Reading Christian Scripture)* Eric J. Tully, 2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture Although it covers critical issues such as authorship background and history its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon Particular attention is given to literary issues such as the structure of each prophetic book Full color illustrations diagrams and artwork bring the text to life Additional resources for instructors and students are available through Textbook eSources

Reward, Punishment, and Forgiveness Joze Krasovec, 2014-09-03 This book deals with central and universal issues of reward punishment and forgiveness for the first time in a compact and comprehensive way Until now these themes have received far too little attention in scholarly research both in their own right and in their interrelationship The scope of this study is to present them in relation to the foundations of our culture These and related issues are treated primarily within the Hebrew Bible using the methods of literary analysis The centrality of these themes in all religions and all cultures has resulted however in a comparative investigation drawing attention to the problem of terminology the importance of Greek culture for the European tradition and the fusion of Greek and Jewish Christian cultures in our modern philosophical and theological systems This broad perspective shows that the biblical personalist understanding of divine authority and of human righteousness or guilt provides the personalist key to the search for reconciliation in a divided world **A History of Prophecy in Israel** Joseph Blenkinsopp, 1996-01-01 This revised and enlarged edition of Joseph Blenkinsopp's 1983 book will be a welcome addition to the libraries of serious Biblical scholars The author critically recounts the history of Israelite prophecy from a social historical perspective

The Book of the Prophet Isaiah, 1-39 A. S. Herbert, 1973-07-19 Comments on the oracles of a prophet who lived in the closing half of the 8th century B C and whose interest in contemporary politics and international affairs was the product of his faith in the Holy God who rules in and over all history **Isaiah: 1-39** Walter Brueggemann, 1998-01-01 Enth lt Vol 1 Isaiah 1 39 Vol 2 Isaiah 40 66 *Isaiah 1-39* Joseph Blenkinsopp, 2000 Writing a commentary on the book of Isaiah in the middle of a paradigm shift in biblical studies and in the study of the prophetic books in particular is no easy task The book of Isaiah has been the object of more scholarly interest over the past two or three decades than during the preceding century At the same time much of the received wisdom on the formation of the book has been called into question including such matters as the date of its several components the standard tripartite division the role if any to be assigned to the prophet Isaiah himself and the passages dealing with the anonymous Servant of the Lord A great deal of effort has been and continues to be expended in exploring new approaches to the book both within the conventional critical methodologies and beyond them This commentary by Joseph Blenkinsopp on the first thirty nine chapters of the book the first of a three volume commentary on Isaiah is written from a critical perspective in the belief that only in this way can these texts be given the opportunity to say what they have to say and also in the conviction that what

they have to say still retains its transforming power for those willing to listen attentively today The result is a commentary of unequalled brilliance and insight that will stand as the definitive study of one of the Hebrew Bible's most compelling and elusive books *Isaiah 1-39* Patricia K. Tull, 2010 The prophet Isaiah's influence extended from his long career in Jerusalem in the late 8th century bce through Judah's exilic and Second Temple periods Through the ages in both Judaism and Christianity Isaiah's words have funded subsequent theological writings liturgies lectionaries hymns poetry and art Among early Christian writings Isaiah was seen as an evangelist rather than prophet foretelling Christ's birth life death and resurrection a view that continues to prevail today though scholars have long argued that Isaiah addressed his own time and not in the first instance the distant future Readers of Tull's engaging guide will come to understand Isaiah as visionary spokesperson of ancient Jerusalem's God in a critical moment in the history of western faith They will learn about the paths the book traveled as it grew absorbed new meanings underwent reinterpretation and emerged as Scripture for synagogues and churches Preachers teachers and students will imagine afresh the connections between modern people and this ancient book the primary goal of the Smyth Helwys Bible Commentary series is to make available serious credible biblical scholarship in an accessible and less intimidating format A visual generation of believers deserves a commentary series that contains not only the all important textual commentary on Scripture but images photographs maps works of fine art and drawings that bring the text to life Each volume of the Smyth Helwys Bible Commentary series features a CD ROM which expands the uses and capabilities of the Commentary even more Publisher description
