... a wonderful book filled with story, lore and
legend... with history and fact... with words and
strange tales... with magnificent illustrations

The Magic Figure

Everything tells about the "Seven Seas" but hardly anyone can
read them as well as Peter Freuchens and his other books do.
The words are so gripping that you realize that the reader is
going to read it right from the start... and right from the
end... that is to say... it is a complete work of art and the
most beautiful of its kind.

The "Seven Seas" is a work of art and a very rare one, for
it is written in a style that is new. The stories of the "Seven
Seas" are written in a style that is new, and the language that
is used is of the highest quality. The language that is used
is of the highest quality, and the style is of the highest quality.
