Arthur-Peacemaker Arthur Blessitt,1986-12 *The Peacemaker and Court of Arbitration* ,1883 **Arthur's Illustrated Home Magazine** ,1885 [A Well-Paid Slave](#) Brad Snyder,2007-09-25 A captivating look at how center fielder Curt Flood's refusal to accept a trade changed Major League Baseball forever After the 1969 season the St Louis Cardinals traded their star center fielder Curt Flood to the Philadelphia Phillies setting off a chain of events that would change professional sports forever At the time there were no free agents no no trade clauses When a player was traded he had to report to his new team or retire Unwilling to leave St Louis and influenced by the civil rights movement Flood chose to sue Major League Baseball for his freedom His case reached the Supreme Court where Flood ultimately lost But by challenging the system he created an atmosphere in which just three years later free agency became a reality Flood's decision cost him his career but as this dramatic chronicle makes clear his influence on sports history puts him in a league with Jackie Robinson and Muhammad Ali *The Washington Post* **The Jewish Justices of the Supreme Court Revisited** Jennifer M. Lowe,1994 **Goodwin's Annual Official Turf Guide for ...** ,1895 **Ethics in the Arthurian Legend** Melissa Ridley Elmes,Evelyn Meyer,2023 An interdisciplinary and trans historical investigation of the representation of ethics in Arthurian Literature From its earliest days the Arthurian legend has been preoccupied with questions of good kingship the behaviours of a ruling class and their effects on communities societies and nations both locally and in imperial and colonizing contexts Ethical considerations inform and are informed by local anxieties tied to questions of power and identity especially where leadership service and governance are concerned they provide a framework for understanding how the texts operate as didactic and critical tools of these subjects This book brings together chapters drawing on English Welsh German Dutch French and Norse iterations of the Arthurian legend and bridging premodern and modern temporalities to investigate the representation of ethics in Arthurian literature across interdisciplinary and transhistorical lines They engage a variety of methodologies including gender critical race theory philology literature and the law translation theory game studies comparative critical and close reading and modern editorial and authorial practices Texts interrogated range from Culhwch and Olwen to Parzival Roman van Walewein Tristrams Saga Sir Gawain and the Green Knight and Malory's Morte Darthur As a whole the approaches and findings in this volume attest to the continued value and importance of the Arthurian legend and its scholarship as a vibrant field through which to locate and understand the many ways in which medieval literature continues to inform modern sensibilities and institutions particularly where the matter of ethics is concerned [The Athenaeum](#) ,1907 [America's Peacemakers](#) Bertram Levine,Grande Lum,2020-11-23 America's Peacemakers The Community Relations Service and Civil Rights tells the behind the scenes story of a small federal agency that made a big difference in civil rights conflicts over the last half century In this second edition of Resolving Racial Conflict The Community Relations Service and Civil Rights 1964-1989 Grande Lum continues Bertram Levine's excellent scholarship expanding the

narrative to consider the history of the Community Relations Service CRS of the U S Department of Justice over the course of the last three decades That the Trump administration has sought to eliminate CRS gives this book increased urgency and relevance Covered in this expanded edition are the post 9 11 efforts of the CRS to prevent violence and hate crimes against those perceived as Middle Eastern Also discussed are the cross border Eli n Gonz lez custody dispute and the notable tragedies of Trayvon Martin and Michael Brown both of which brought police interaction with communities of color back into the spotlight The 2009 Matthew Shepard and James Byrd Jr Hate Crimes Prevention Act substantially altered CRS s jurisdiction which began to focus on gender gender identity religion sexual orientation and disability in addition to race color and national origin Lum s documentation of this expanded jurisdiction provides insight into the progression of civil rights The ongoing story of the Community Relations Service is a crucial component of the national narrative on civil rights and conflict resolution This new edition will be highly informative to all readers and useful to professionals and academics in the civil rights dispute resolution domestic and international peacemaking and law enforcement community relations fields
