**REAL WORLD**  
December 8, 2022 - January 10, 2023

Coming to life from the reality show first launched in the nineties that follows a group of young adults living together, **THE REAL WORLD** prompts viewers to consider the absurdity of one making a claim over "the real" while being aware of the impossibility of asserting objectivity—a contemporary paradox of the post-truth era. The name serves as a point of departure for the paintings on view, which are themselves studies of ways in reality, a lens through which to observe a world where perspectives are perpetually in flux.
