**As It Is in Heaven** Greg Laurie,2014-01-01 Our lives here are so often cluttered with the cares of this world that we fail to consider heavenly priorities and how they should be reflected in our earthly ones At the beginning of Jesus most famous prayer He teaches us to pray that God s will be done on earth as it is in heaven What heaven is up to is critical for us to understand if we re going to live biblically Pastor Greg Laurie explains that heaven is anything but a long boring church service People in heaven know about the time and place of ongoing events on earth They are rational and recall everything from their earthly days but most importantly for us they have a unique perspective from which we can learn a great deal In this rich and relevant study Greg sheds scriptural light on the sensational books and stories about people going to heaven and coming back answers the nagging questions we are all dying to ask and guides us to focus right now on what really matters

**As it is in Heaven** PAUL K. ELLIS (JR.),Glory Seekers Church,2025-05-09 The Lord s Prayer in Matthew 6 is more than a recitation it s a divine template for prophetic intercession inviting believers to bring the realities of heaven into the earth Each phrase holds spiritual significance beginning with recognizing God as Father aligning ourselves through worship and declaring His kingdom and will over our circumstances The phrase on earth as it is in heaven is not poetic language it is a prophetic call to actively usher heaven s atmosphere its peace healing justice and power into our daily lives homes and communities Through this prayer believers move from routine words to divine partnership Prophetic intercession means carrying God s heart and releasing it through Spirit led prayer As we declare His truth seek His will and trust His provision we become agents of transformation inviting heaven to touch earth The results of this posture are tangible healing clarity justice renewal and a shift in spiritual culture Jesus didn t just teach us to pray this way He modeled it as a lifestyle To pray as it is in heaven is to live with God s priorities and power boldly aligning our lives with His purpose until the earth reflects His glory

**As It Is in Heaven** Jeanne-Louise Viljoen,2015-03-26 What would you do if you died today and experienced the pure joy of Heaven only to be asked to choose to come back to your life on Earth As It Is in Heaven is about the journey of a young woman who faced this life changing choice She had to find the courage to allow the hand of God to intervene When her dreams were shattered God allowed extraordinary events to shape her life even when it meant dying Discover how earthly lives are woven into the fabric of life hereafter Find thought provoking bits about death the lasting impact of our words and actions where people go when they die and what happens to their persona the unfailing love of God the manifestation of the Holy Spirit in Heaven the way the Angels hear God how God sees us and the eternal gift of love and forgiveness just to name a few Jeanne Louise comes full circle by sharing about living a lifestyle that reflects Heaven It touches on in depth soul searching topics like suicide trauma addictions and the love of God Enjoy the journey you are about to embark on as you discover As It Is in Heaven

**As it is in Heaven** Lucy Larcom,1891 **Worship As It Is in Heaven** John Dickson,Chuck D. Pierce,2010-10-26 According to the Psalms God is enthroned on the praises of His people and it is

from that throne that He governs the heavens and the earth If this picture of God's rule found throughout the Scriptures is accurate shouldn't the Body of Christ seek to praise the King of heaven and earth in ways that release His kingdom government into specific circumstances John A Dickson and Chuck D Pierce coauthors of *Worship As It Is In Heaven* offer the Church a fresh look at heaven's pattern of worship instituted in David's tabernacle and renewed through Jesus' approach in the earliest days of the Church

Gilson,2022-04-05 The loss of a real and heartfelt belief in God and by real I mean an experience that is both steady and moving ethereal though down to earth sentimental but never trite comes from an earlier more foundational loss namely that of an ardent and directed desire for heaven and more specifically that paradisaic longing for the resurrected life This book seeks to recover the neglected nature of heaven degraded into something out there and unknown degraded further into a vague wish for immortality and the often empty words of consolation Or even worse the almost comic book reduction of heaven to an earthly social ist paradise the immanentization of the Christian eschaton The vague better place which is meant well often means nothing at all or worse than that can hamper us when approaching and engaging the mystery of grief This book will address and interrogate various questions about the nature of the afterlife on the status of guilt forgiveness friendship love embodiment sexuality and propose various paths to answers We are talking about that sacred innermost promise the hope of paradisaic reunion most secret and yet most universal never abstract and shapeless but embodied and individual We must wonder whether our casual forgetting of this estuary of human hope the resurrected life has caused us to lose ourselves in such a way that we do not even know what we have lost      **Holy-days and holidays, a treasury of historical material, sermons, poetry [&c.] relating to holy days and holidays, compiled by E.M.
