Asgard Run:

The Asgard Run Steve Vance,2000-11 Roger Griffin s lifetime dream lay before him He stood within an immense interstellar vessel that had lain beneath the Wyoming mountains for millennia It had remained a virtually impenetrable fortress to the scientific teams that prowled its two mile long exterior until they managed to pry open the door Then the dream of scientific discovery became a horrific nightmare as an earthquake awakened the long dormant brain of the malfunctioning spacecraft and rocked the door shut Griffin and his fellow survivors frantically tried to escape but the ship s computer took steps to rescue itself and exterminate the humans in board Suddenly the newly awakened control room displayed a clock for its terrified inhabitants to see Its lights blinked in and off but the message was clear Six hours until lift off Six hours to live Six hours to die

All the Shattered Worlds Steve Vance,2018-02-19 Everyone but Ann thought that Carl Urbanowich was a harmless man who had lost his mind Ann believes his fantasies of power and tries to stop him from ending the earth She risks her life to prevent the catastrophe Can she prevent him from smashing our planet into four individual solar systems

Analyzing the Marvel Universe Douglas Brode,2024-10-30 Marvel like other media universes is a collection of highly profitable and audience satisfying products that exist not only as individual items of popular culture but coalesce to form a unique and all encompassing identity Within media studies elements of popular culture once dismissed as low brow entertainment are now studied with the seriousness that has always been afforded classics like Shakespeare s plays and ancient myth Indeed DC and Marvel might be thought of as competing myth systems This book is a collection of diverse essays covering all aspects of the Marvel Universe from in print graphic novels to film and television variations Contributors present in depth original and inclusive interpretations of numerous individual elements of Marvel including analysis of key characters themes and aesthetic elements They also offer a vision of the essential meaning of Marvel including aspects that set it apart from the DC Universe and other media Individual readings apply feminist ethnic and queer theory among others and deal with the lesser known aspects of Marvel s offerings in order to provide the definitive collection on this subject Beginning with an introduction by the editor that provides a complete overview of the Marvel canon this book offers the broadest and most in depth collection on the subject to date
