## **Ashes Regained:**

*Ashes Regained* Duncan Fletcher, 2005 The 2005 Ashes series was the most eagerly anticipated for decades Not since 1989 had the famous urn left the hands of the all conquering Australians but with that great team now showing some signs of age and with England in the ascendant after a string of Test successes hopes were high that the balance of power in world cricket would at last shift The series did not disappoint From the rip roaring first day at Lord s with seventeen wickets falling it was clear we were in for something special Although the visitors went on to win that match England bounced back with a spectacular win at Edgbaston and further nailbiting finishes followed at Old Trafford Trent Bridge and The Oval In the furnace of these epic encounters heroes were forged Flintoff the once raw all rounder who established himself as one of the world s greats Vaughan whose captaincy was surefooted even when runs were scarce Pietersen who ended up as England s top scorer and whose 158 at The Oval steered England to victory and for Australia Shane Warne and Brett Lee were magnificent with both ball and bat often putting their colleagues higher up the order to shame In this sparkling account of an amazing summer England s coach Duncan Fletcher reveals the strategies the stresses and successes of one of the greatest series in the history of the game

**Behind the Shades** Duncan Fletcher, 2008-09-04 Before his resignation in April 2007 Duncan Fletcher had been the most successful England cricket coach of the modern era In the glorious summer of 2005 Fletcher s management and coaching skills reached their apogee as England regained the Ashes from Australia for the first time since 1985 Widely acclaimed as the greatest Test series in the history of the game this five match contest thrilled the nation with its extraordinary swings of fortune It was a personal triumph for Fletcher and the high point of his tenure as England coach One of the most experienced and senior figures in the game Fletcher now looks back over his life and career as he ponders his next step What was it that drove him from a sporty and competitive Rhodesian farming family to the heights of international cricket What lessons has he drawn from his successful business career in forging a winning team Full of telling insights and frank assessments of the players and administrators he has had the pleasure and pain of working alongside

*Six Books of the Æneid of Virgil* Virgil, 1871 *Jimmy* James Anderson, 2013-04-11 England s record breaking fast bowler reveals the truth behind his remarkable career In his first book James Anderson or Jimmy as everyone knows him tells the story of his life in cricket His career began at Burnley Cricket Club where he discovered that he could bowl faster than the rest before he moved on to Lancashire and then England His early success made him England s golden boy before a career halting injury devastated Anderson But then came a recent glorious return to form and Ashes triumphs making this a tale of

exuberance determination and sheer force of character Jimmy Anderson speaks openly and forthrightly about those he has played with and against the captains he has known and outlines his thoughts on some of the biggest issues in the game today It all makes for a compelling read The Gloves are Off Matt Prior,2013-06-20 Since he took over the gloves in the England side in 2007 Matt Prior has become a vital part of England s subsequent success and strategy In this book he looks at the key moments of his career to reveal how England achieved so much success winning two Ashes series and rising to the top of the international rankings From touring India in the aftermath of the Mumbai terrorist attacks to joining in the celebrations with the Barmy Army in Australia Prior has seen it all But what makes Prior s perspective unique is his position at the heart of the action as England s wicket keeper He is the man who hears all the banter and sledging he is the one who gets the best view of some of the world s greatest batsmen up close and personal Given all that who better to show what the life of a modern England cricketer is really like than the man at the centre of it all Matt Prior **Metal Finishing** ,1921 **Six Books of the Aeneid of Virgil** Virgil,1877 **The Battle Renewed** David Frith,2007 On 12 September 2005 at The Oval in London after 5886 days eight series and 44 Tests against Australia under seven captains England won back the Ashes On 23 November 2006 at The Gabba in Brisbane and after only 437 days the battle will be renewed The Ashes loss severely jolted Australian cricket players were discarded tactics reviewed and a chastened team then began an impressive run of Test wins By contrast England s record since that September day s been poor several key places were sidelined through injury including the inspirational captain And so their task is enormous playing on Australian pitches in front of local crowds under the hot sun presents enough of a challenge but they face a regrouped Australian team whose absolute focus is on regaining that little urn As before David Frith recognised as one of the best cricket writers and historians will record and analyse every ball each nuance The Aeneid of Virgil Virgil,1881 *The Illustrated London News* ,1926 Your Obedient Servant ,1976 *Concrete* ,1921 Proceedings Hawaii.
