Gandhi's Philosophy of Action Prem Anand Mishra, 2020-01-01 What are the elements that really constitute an action in Gandhi's worldview? What is the basis and nature of his action? How are his views on action related to his metaphysics, theory of knowledge, and ethics? From where does he get inspiration for his views on the action? As action relates the individual to others, how does Gandhi see the relation between the self and other? Is there any action or actions needed for oneself before engaging with others? As Gandhi tends to adhere to the Hindu philosophical tradition, and of which the law of karma is an integral part, then how does Gandhi get influenced by and reflect on the law of karma? This book essentially deals with these questions. It attempts to explore and construct Gandhi's philosophy of action through a discursive journey of his writings. It argues that Gandhi's philosophy of action is the outcome of his unified metaphysics, epistemology, and ethics. It marks out that his philosophy of action comprises three essential inseparable components: universal love, responsibility, and detachment.

Religion and Radical Pluralism Jeff Shawn Jose, 2023-05-30 In *Religion and Radical Pluralism: Engaging Rawls and Gandhi*, Jeff Shawn Jose confronts the question of the role of religion in the public sphere through the writings of John Rawls and Mahatma Gandhi. Jose explores Rawls's and Gandhi's contrasting and complementary views through the framework of three objections: integrity, fairness, and divisiveness, against a view of public reason that restricts the expression of religious arguments in the public sphere. The book introduces Gandhi's ideas into Rawls's political liberal framework and brings Rawls's ideas into the Gandhian religious framework, a critical and creative encounter where the relationship between Gandhian and Rawlsian approaches becomes a fertile ground for reciprocal dialectical reflections. *Religion and Radical Pluralism* teases out and evaluates the tensions and prospects in Rawls's and Gandhi's views on the role of religion in the public sphere, thus offering a pertinent contribution to the study of radical pluralism in contemporary societies.

Gandhi as Disciple and Mentor Thomas Weber, 2004-12-02 Thomas Weber's book comprises a series of biographical reflections about people who influenced Gandhi and those who were in turn influenced by him. Whilst previous literature tended to focus on Gandhi's political legacy, Weber's book explores the spiritual, social, and philosophical resonances of these relationships, and it is with these aspects of the Mahatma's life in mind that the author selects his central protagonists. These include friends such as Henry Polak and Hermann Kallenbach, who are not as well known as those usually cited but who left a deep impression, nevertheless, and motivated some of Gandhi's major life changes. Conversely, the work of luminaries such as E. F. Schumacher and Gene Sharp reveals the Mahatma's influence in arenas which are not traditionally associated with his thinking. Weber's book offers intriguing insights into the life and thought of one of the most significant figures of the twentieth century.

Gandhi and his Jewish Friends Margaret Chatterjee, 1992-06-18 Most of Gandhi's associates in South Africa were Jewish. They were brought together through a common interest in theosophy and became deeply involved in Gandhi's campaigns, looking after his affairs when he was away in London or India. This book looks at the association between

the two groups
