Commonsense Handicapping Dick Mitchell,1993-01-01 Commonsense Betting Dick Mitchell,1995-01-01 Presents a strategy for successful horse race wagering that is based on choosing good horses making intelligent bets and keeping accurate records

Efficiency Of Racetrack Betting Markets (2008 Edition) Donald B Hausch,Victor S Y Lo,William T Ziemba,2008-06-20 A reprint of one of the classic volumes on racetrack efficiency this book is the only one in its field that deals with the racetrack betting market in depth containing all the important historical papers on racetrack efficiency As evidenced by the collection of articles the understanding of racetrack betting is clearly drawn from and has correspondingly returned something to all the fields of psychology economics finance statistics mathematics and management science

Horseplayers Ted McClelland,2007-05 This fun and witty expos of horse racing in America goes behind the scenes at the track providing a serious gambler s eye view of the action Ted McClelland spent a year at tracks and off track betting facilities in Chicago and across the country profiling the people who make a career of gambling on horses This account follows his personal journey of what it means to be a horseplayer as he gambles with his book advance using various betting and handicapping strategies along the way A colourful cast of characters is introduced including the intensely disciplined Scott McMannis The Professor a one time college instructor who now teaches a course in handicapping and Mary Schoenfeldt a former nun and gifted handicapper who donates all of her winnings to charity This moving account of wins losses and personal turmoil provides a realistic look at gamblers gambling and life at the track

The Inside Track Alan Potts,2006-10 The Inside Track describes the methods Alan used to generate over 50 000 profit from his betting during 1997 The author has studied many American texts and explains how he has mixed their ideas with his own 30 years experience of British racing and betting There are no systems no rules and no guarantees in this book yet anybody who likes to bet on horse racing is sure to find material here that will challenge accepted beliefs and persuade them to think in new ways about their betting In his first book Alan explained that to make a living it was necessary to bet Against The Crowd This book expands on that and takes the reader inside the mind of one of the most successful professional punters operating in the country There are separate sections covering Flat racing and Jumping and also detailed discussions of All weather racing and the growing world of spread betting

Common Sense Lisa Holderman,2008 This anthology examines the constructions of intelligence and intellectuality in popular television and the socio cultural implications of those constructions It considers the complexity of popular television images the influences of these images as they both verify and vilify intelligence and explores a range of representations of intelligence on television by looking at a variety of TV genres and through a variety of theoretical perspectives and methods Topics range from broad explorations of patterned representations on television to examinations of particular genres including science fiction and reality programming to in depth analyses of specific programs such as The Simpsons Buffy the Vampire Slayer and Six Feet Under This book is grounded in the assumption that knowledge

and intelligence are currency in the economics of power and that given that the proliferation of certain images and the relative absence of others in fictional reality and fact based media play an important role in social order maintenance a critical examination of how intelligence is demonstrated portrayed and evaluated in the public sphere is crucial
