

Communism And Eastern Europe

S Ashworth

Communism And Eastern Europe:

Communism in Eastern Europe Teresa Rakowska-Harmstone, 1984 **Communism in Eastern Europe** Melissa Feinberg, 2021-12-29 Communism in Eastern Europe is a ground breaking new survey of the history of Eastern Europe since 1945 It examines how Communist governments came to Eastern Europe how they changed their societies and the legacies that persisted after their fall Written from the perspective of the 21st century this book shows how Eastern Europe's trajectory since 1989 fits into the longer history of its Communist past Rather than focusing on high politics Communism in Eastern Europe concentrates on the politics of daily life melding political history with social cultural and gender history It tells the history of this complicated era through the voices and experiences of ordinary people By focusing on the complex interactions of everyday life Communism in Eastern Europe illuminates the world Communism made in Eastern Europe its politics and culture values and dreams successes and failures This book is an engaging introduction to the history of Communist Eastern Europe for any reader It is ideal for adoption in a wide array of undergraduate and graduate courses in 20th century European history **Rise and Fall of Communism in Eastern Europe** Ben Fowkes, 2016-07-27 Communist parties came to power in a variety of ways usually by force often with the acquiescence of people who hoped for a better future Then came the imposition of Stalinism The book examines this and subsequent crises in Hungary Poland and Czechoslovakia **The Legacies of Communism in Eastern Europe** Zoltan D. Barany, Iván Völgyes, 1995 The political scientists Zoltan Barany and Ivan Volgyes bring together a distinguished group of contributors to examine the legacies of communism in Eastern Europe The authors identify what is distinctive and lasting about the influence of the Communist period and the extent to which this Communist experience may have left unsolvable problems The volume pays special attention to the impact of the Communist legacies on four areas politics society the economy and the environment Contributors are Zoltan Barany Ivan Volgyes Thomas A Baylis Elez Biberaj Jane L Curry Barbara Jancar Webster Andrzej Korbonski Bennett Kovrig Daniel N Nelson Robin Alison Remington Luan Troxel and Sharon L Wolchik Hopes and Shadows James F. Brown, 1994 After the exuberance that marked the revolutions of 1989 the countries of Eastern Europe have faced the breathtakingly ambitious task of remaking their societies Simultaneously they have sought to build liberal democracies based on market economics while confronting reassertions of claims for national independence long suppressed Taking up where his previous book *Surge to Freedom* ended J F Brown's *Hopes and Shadows* analyzes the results of the first four years of Eastern Europe's separation from communist rule and the prospects for the future The forces at work in the midst of this revolution are examined from a perspective that is necessarily both historical and contemporary as the complex relationship between the tasks that face these countries and the legacy of their communist and pre communist past shape the difficult present As the usefulness of the designation Eastern Europe is itself questioned Brown provides both regional and country by country analysis of the political situation The Czech Republic Slovakia Hungary and Poland are grouped together

as are Romania Bulgaria and Albania to address questions such as the development of liberal democratic culture the activation of democratic institutions and procedures and the future of former communist bureaucracies He considers the former Yugoslavia now torn violently apart largely as a separate case The theoretical political social financial cultural and psychological dimensions of the transition from socialism to a market economy are discussed in detail The final aspect of this revolution the failure of which most immediately threatens the entire process is the attempt to build new and stable national statehoods Brown explores the history and impact of the current reemergence of nationalism and the dangers it represents A comprehensive and authoritative survey J F Brown s analysis and presentation of the contemporary Eastern European political landscape will be essential reading for scholars and specialists and of great interest to general readers

Challenging Communism in Eastern Europe Terry Cox,2013-09-13 Marking the 50th anniversary of events in 1956 that were a major turning point in the history of communist ruled Eastern Europe this book contains a selection of some of the most recent research on those momentous events and their memory and legacy The book contains edited contributions from historians and social scientists from Hungary Poland the UK and the USA Their contributions are the fruit of research which has only been possible since 1989 In the years since the fall of the communist regimes the state archives have been opened to researchers and it has been possible to collect the testimony of eye witnesses without fear of repression and censorship The outcome of 1956 led to Poland embarking on its own distinctive version of communist rule Meanwhile 1956 in Hungary saw the first society wide attempt to overthrow a ruling communist regime only to be put down by Soviet military intervention In both countries the events of 1956 had lasting repercussions for society and its relationship with the communist regime In retrospect they can be seen as paving the way for the eventual fall of the communist regimes in East Central Europe in 1989

Nationalism and Communism in Eastern Europe and the Soviet Union W.

Kemp,1999-02-08 Nationalism and Communism in Eastern Europe and the Soviet Union looks at communism s attempts to come to terms with nationalism between Marx and Yeltsin how the inability of communist theorists and practitioners to achieve an effective synthesis between nationalism and communism contributed to communism s collapse and what lessons that holds for contemporary Europe

The Break-up of the Soviet Empire in Eastern Europe Ghița Ionescu,1965 Sovjetiske indflydelsessf rer syntes at have gennemg et forandringer og forfatteren mente at Stalins rige var ved at g i stykker

The Rise and Fall of Communism in Eastern Europe Ben Fowkes,1993 Dynamics of Communism in Eastern Europe Richard Voyles Burks,2015-12-08 Who are the people comprising the Communist movement in Eastern Europe What is their motivation in joining the party In a comparative analysis of the eight East European Communist parties Polish Czech Magyar Romanian Bulgarian Yugoslav Greek and Albanian R V Burks offers precise knowledge about Communism s adherents The author conducted interviews with repentant Communists held in Greek prisons with exiled members of the anti Communist opposition and with active members of the party he also made a critical analysis of election returns and of original sources in

a dozen languages The result is a wealth of specific information on the participants age sex education professional training social class and ethnic origin Basing his comparisons and conclusions on this data Mr Burks is able to point to some interesting discoveries social class at least as Marxism conceives of it is hardly a factor in drawing these people to Communism and the industrial worker is not the backbone of the movement Instead the effects of cross cultural education shifting world prices and what might he called ethnic politics have directed these people to Communism Mr Burks has provided a close analysis of the anatomy of Communism in a crucial part of the world Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Historical Legacies of Communism in Russia and Eastern Europe Mark

Beissinger, Stephen Kotkin, 2014-07-07 This book takes stock of arguments about the historical legacies of communism that have become common within the study of Russia and East Europe more than two decades after communism's demise and elaborates an empirical approach to the study of historical legacies revolving around relationships and mechanisms rather than correlation and outward similarities Eleven essays by a distinguished group of scholars assess whether post communist developments in specific areas continue to be shaped by the experience of communism or alternatively by fundamental divergences produced before or after communism Chapters deal with the variable impact of the communist experience on post communist societies in such areas as regime trajectories and democratic political values patterns of regional and sectoral economic development property ownership within the energy sector the functioning of the executive branch of government the police and courts the relationship of religion to the state government language policies and informal relationships and practices

Revolution in Eastern Europe Peter Cipkowski, 1991-04-29

Analyzes the fall of communism in Eastern Europe country by country during 1989 and 1990 Includes photographs time lines maps and cartoons

Revolution In Eastcentral Europe David S Mason, 2019-06-26

The year 1989 marked a turning point in world history a watershed year of unprecedented drama and political significance No matter how one looks at those events as the fall of communism the democratization of Eastern Europe or the end of the cold war it is important to understand how the world travelled the distance of time space and ideology to arrive at the Berlin Wall and tear it down David Mason provides that understanding in a concise synthesis of history politics economics sociology literature philosophy and popular as well as traditional culture He shows how all these elements combined to yield the year that effectively closed the twentieth century and promised to launch the new century on a hopeful note Starting with Poland's elections in June 1989 the countries of then communist Eastern Europe one by one revolutionized their governments and their polities Hungary opened its borders to the

West East Germany rushed through Czechoslovakia elected Vaclav Havel president Bulgaria changed both party and leadership and Romania executed Ceausescu Although Gorbachev enabled many of these changes he did not cause them The illumination of the complex symbiosis between dynamics in Eastern Europe and the Soviet Union is one of the greatest contributions this book makes With undercurrents emphasizing the power of ideas the spirit of youth and the multifaceted force of culture and ethnicity Mason takes the reader far beyond the events of change and into their impetus and outcomes He applies theories of social movements democratization and economic transition with an even hand showing the interaction of their effects not only regionally but worldwide The concluding chapter puts the revolutions in Eastern Europe into international perspective and highlights their impact on East West relations security alliances and economic integration Mason discusses the European Community the United States and the Soviet Union and the Third World in relation to the new East Central European configuration Using delightful and provocative cartoons from Eastern European and Soviet presses interesting photos valuable tables of data and illuminating figures Mason emphasizes important points about the role of nationalism ethnicity public opinion and harsh economic reality in the revolutionary process

The ^AWalls Came Tumbling Down Gale Stokes,1993-10-07 Gale Stokes The Walls Came Tumbling Down has been one of the standard interpretations of the East European revolutions of 1989 for many years It offers a sweeping yet vivid narrative of the two decades of developments that led from the Prague Spring of 1968 to the collapse of communism in 1989 Highlights of that narrative include among other things discussions of Solidarity and civil society in Poland Charter 77 and the Velvet Revolution in Czechoslovakia and the bizarre regime of Romania s Nikolae Ceausescu and his violent downfall In this second edition now appropriately subtitled Collapse and Rebirth in Eastern Europe Stokes not only has revised these portions of the book in the light of recent scholarship but has added three new chapters covering the post communist period including analyses of the unification of Germany and the collapse of the Soviet Union narratives of the admission of many of the countries of the region to the European Union and discussion of the unfortunate outcomes of the Wars of Yugoslav Succession in the Western Balkans

The Establishment Of Communist Regimes In Eastern Europe, 1944-1949 Norman Naimark,2018-02-07 The collaborative effort of scholars from Russia and the United States this book reevaluates the history of postwar Eastern Europe from 1944 to 1949 incorporating information gleaned from newly opened archives in Eastern Europe For nearly five decades the countries of Yugoslavia Poland Albania Bulgaria Romania Hungary Czechoslovakia and the Soviet zone of Germany were forced to live behind the iron curtain Though their experiences under communism differed in sometimes fundamental ways and lasted no longer than a single generation these nations were characterized by systematic assaults on individual rights and social institutions that profoundly shaped the character of Eastern Europe today The emergence of the former People s Democracies from behind the iron curtain has been a wrenching process but as this book demonstrates the beginning of the communist era was equally as traumatic as its end With the

opening of the archives in Russia and Eastern Europe the contributors have been able to get a much firmer grasp on Soviet policies in the region and on East European responses and initiatives which in turn has yielded more satisfying answers to vexing questions about Soviet intentions in the region and the origins of the Cold War Exploring these events from a new better informed perspective the contributors have made a valuable contribution to the historiography of postwar Europe

The Patriots' Revolution Mark Frankland,1993-09 Beginning in apparently controlled fashion in Hungary in 1989 the retreat of communism picked up speed that summer when Poles won an overwhelming victory over their pro Soviet rulers in free elections East Germany and Czechoslovakia achieved freedom in the fall with less violence than anyone believed possible Only Romania at the end of the year witnessed a savage battle and the hurried execution of the worst of the eastern European dictators Nicolae Ceausescu In *The Patriots Revolution* Mark Frankland who reported on these dramatic events for the London Observer describes how the once powerful communist system crumbled with little or no resistance in the face of demonstrators armed only with candles and slogans of protest Drawing on more than thirty years experience in Eastern Europe Mr Frankland re creates what communism meant for Eastern Europeans and thus reveals the reasons for its breathtakingly rapid disappearance Evoking the mood and preoccupations of these countries in the year of revolution his colorful book allows the reader to relive one of the most extraordinary episodes in the history of the 20th century and provides the background for a better understanding of the new Eastern Europe

[The Break-up of Communism in East Germany and Eastern Europe](#) Feiwel Kupferberg,2016-07-27 This book presents a novel understanding of the break up of communist hegemony in East Germany and Eastern Europe Based on comparative case studies it argues that identity politics is a particular invention of communist rule producing a political citizen Focusing upon identity politics helps us better to understand the longterm stability of communist hegemony its sudden collapse the difficulties of transforming communist societies to liberal democracies and the unexpected revival of ethnic nationalist and cultural conflicts in post communist Eastern Europe

Communism Unwrapped Paulina Bren,Mary Neuburger,2012-09-06 Communism Unwrapped reveals the complex world of consumption in Cold War Eastern Europe exploring the ways people shopped ate drank smoked cooked acquired assessed and exchanged goods

The Dynamics of Communism in Eastern Europe Richard Voyles Burks,1966-05-21 The Description for this book Dynamics of Communism in Eastern Europe will be forthcoming

[The Alternative in Eastern Europe](#) Rudolf Bahro,2020-05-05 The contemporary Marxist writer provides analyses of socialist theory modern political struggle and socialist societies in Eastern Europe
