Community Journalism

Anthony S. Fauci

Community Journalism:

Community Journalism Jock Lauterer, 2009-11-20 No matter how ambitious they may be most novice journalists don't get their start at the New York Times They get their first jobs at smaller local community newspapers that require a different style of reporting than the detached impersonal approach expected of major international publications As the primary textbook and sourcebook for the teaching and practice of local journalism and newspaper publishing in the United States Community Journalism addresses the issues a small town newspaper writer or publisher is likely to face Jock Lauterer covers topics ranging from why community journalism is important and distinctive to hints for reporting and writing with a community spin to design production photojournalism and staff management This third edition introduces new chapters on adjusting to changing demographics in the community and best practices for community papers Updated with fresh examples throughout and considering the newest technologies in editing and photography this edition of Community Journalism

provides the very latest of what every person working at a small newspaper needs to know **Foundations of Community Journalism** Bill Reader, John A. Hatcher, 2011-08-15 Foundations of Community Journalism is the first and only book to focus on how to understand and conduct research in this ever increasing field With chapters written by established journalism scholars and teachers this book provides students and researchers with an understanding of the multiple methods applied to the study of community journalism such as historical social scientific cultural critical and interdisciplinary approaches It explains what community journalism is as a research concept and offers a range of different methods and theories that can be applied to community journalism research Although there are numerous how to community journalism manuals for students and newspaper editors none focuses on how to conduct research into community journalism The body of knowledge in Foundations of Community Journalism would take readers months perhaps years of independent work to gather making this book a must have volume and reference tool for anybody who is interested in the relationships between journalism and communities *Foundations of Community Journalism* Bill Reader, John A. Community Journalism Midst Media Revolution Sue

Robinson,2016-04-14 This edited volume documents the changes taking place in local community practices globally Digital technologies and globalization have forced evolutions in how we go about producing and consuming journalism and these essays empirically and theoretically advance the scholarly conversations about those trends What does it mean to serve the information needs of a community in a digitized social world where so many of our ties weak and strong are at least partially maintained in virtual worlds With authors and data from all over the world this work celebrates a fundamental connectedness to citizens and their community and renews the emphasis on home as a mandate for any locally focused news organization The contributions to this volume explore the flows within both digital spaces and geographic places that are an important foreground to any conversation about what is community today Several terms are coined and explored in the volume including geosocial journalism and reciprocal journalism that account for the essentiality of information sharing in global public realms to inspire feelings of community belonging Other chapters include a review of Patch com one of the largest grassroots digital platforms for journalism a survey of how Norwegian community media organizations are adapting to digital worlds how Swedish citizen sites operate and the ethics of community journalists to advocate for their citizenry regarding digital matters Venturing towards both optimism and dismay the collection argues that understandings of communal borders have expanded So even if journalists cannot reach the current locals such as in Africa as one chapter relates or globally transient locals digital technologies can help relocate fractured community into a less problematic virtual space This requires commitment on the part of both journalists and citizens to preserve those connections utilize those technologies and exercise those fundamental principles of community journalism that go back more than half a century This book was originally published as a special issue of Journalism Practice *Community Journalism* Jock Lauterer,1995 Here is a Closer Range on target and in depth look at community journalism journalism as it is practiced at the grass roots With over 8 000 community newspapers in this country most journalism graduates no matter what their goals will find their first jobs on small newspapers This book captures what the experience is like as well as how to make the most of it Community Journalism is based on Jock Lauterer s practical experience as an owner publisher entrepreneur community journalist and on his current perspective as a journalism educator This is a user friendly text and workbook for students studying community journalism as well as a survival manual field guide handbook for those already out there in the trenches In a conversational opinionated and good humored style Lauterer affirms the enterprise and the calling of community journalists **Community Journalism** Jock Lauterer,2005-01-28 An essential guide to working for and publishing a community newspaper *Community Journalism* Kenneth R. Byerly,1961 *The Community Newspaper* Emerson Pitt Harris,Mrs. Florence Harris Hooke,Florence Harris Hooke,1923 *Newspapers in Community Service* Norman John Radder,1926 The Writer's Digest ,1928 **The Public School Journal** ,1915 **Saving Community Journalism** Penelope Muse Abernathy,2014-04-29 America s community newspapers have entered an age of disruption Towns and cities continue to

need the journalism and advertising so essential to nurturing local identity and connection among citizens But as the business of newspaper publishing collides with the digital revolution and as technology redefines consumer habits and the very notion of community how can newspapers survive and thrive In *Saving Community Journalism* veteran media executive Penelope Muse Abernathy draws on cutting edge research and analysis to reveal pathways to transformation and long term profitability Offering practical guidance for editors and publishers Abernathy shows how newspapers can build community online and identify new opportunities to generate revenue Examining experiences at a wide variety of community papers from a 7 000 circulation weekly in West Virginia to a 50 000 circulation daily in California and a 150 000 circulation Spanish language weekly in the heart of Chicago *Saving Community Journalism* is designed to help journalists and media industry managers create and implement new strategies that will allow them to prosper in the twenty first century Abernathy s findings will interest everyone with a stake in the health and survival of local media

Reviving Rural News Teri Finneman, Nick Mathews, Patrick Ferrucci, 2024-02-02 Based on extensive research into weekly rural publishers and rural readers *Reviving Rural News* demonstrates that a new financial approach to community journalism is urgently needed and viable This book provides historical context for the state of local news examines the influence of journalistic identity and boundaries that have prevented change and offers practical guidance on how to adapt the financial strategies of weekly newspapers to the habits of modern readers Findings are grounded in robust data collection including surveys focus groups and a year long oral history study of a small weekly newspaper group in the United States A new model known as Press Club is presented as a template via which memberships events and newsletters can better engage community journalism with its audiences and create a more sustainable path for the future *Reviving Rural News* will be of interest to advanced students and researchers of local community and rural journalism as well as practitioners looking to bring about real world change in journalism organizations
