Community Organizers:

We Make Change Kristin Layng Szakos, Joe Szakos, 2007 Community organizers work at their jobs because they are passionate because they believe that change is possible and because they enjoy working with people Although it is not an occupation that leads to great wealth community organizers can make a living at it They get salaries pensions and health insurance They raise families They do well by doing good This book explores the world of community organizing through the voices of real people working in the field in small towns and city neighborhoods women and men of different races and economic backgrounds ranging in age from those in their twenties to those in their sixties Fourteen in depth profiles tell the life stories of a cross section of the diverse people who choose the life of an organizer Other chapters focused on issues of organizing are tapestries of experience woven from the 81 interviews the authors conducted Community Organizing and Community Building for Health Meredith Minkler, 2005 **Community Organizing and Development** Herbert J. Rubin, Irene Rubin, 2008 This revised edition of a well known and widely used text in community organizing and development fully examines the broad and changing political and social settings that influence actions while portraying the infrastructure of social change the knowledge personnel and organizations that enable such work to be successfully accomplished The text brings together the practicalities of organizing and development fund raising working out news releases running an organization orchestrating political actions academic knowledge and explains why various approaches work as well as the values and ideologies that guide what is to be done It provides the foundations of organizing and development work and then describes how activists through following either a social confrontation model or an economic and social production approach can respond to economic and social problems A Theology of Community Organizing Chris Shannahan, 2013-11-12 The rising importance of community organizing in the US and more recently in Britain has coincided with the developing significance of social movements and identity politics debates about citizenship social capital civil society and religion in the public sphere At a time when participation in formal political process and membership of faith groups have both declined dramatically community organizing has provided a new opportunity for small community groups marginalized urban communities and people of faith to engage in effective political action through the developments of inter faith and cross cultural coalitions of groups In spite of its renewed popularity little critical attention has been paid to community organizing This book places community organizing within debates about the role of religion in the public sphere and the rise of public theology in recent years The book explores the history methodology and achievements of community organizing engaging in a series of conversations with key community organizers in the US and Britain This volume breaks new ground by beginning to articulate a cross cultural and inter faith Theology for Community Organizing that arises from fresh readings of Liberation Theology Organizing the Community Bessie Averne McClenahan, 1922 **Progressive Community Organizing** Loretta Pyles, 2013-07-24 The second edition of Progressive Community Organizing offers a concise intellectual history of community

organizing and social movements while also providing practical tools geared toward practitioner skill building Drawing from social constructionist feminist and critical traditions Progressive Community Organizing affirms the practice of issue framing and offers two innovative frameworks that will change the way students of organizing think about their work Progressive Community Organizing is ideal for both undergraduate and graduate courses focused on community theory and practice community organizing community development and social change and service learning The second edition presents new case studies including those of a welfare rights organization and a youth led LGBTQ organization There are also new sections on the capabilities approach queer theory the Civil Rights movement and the practices of self inquiry and non violent communication Discussion of global justice has been expanded significantly and includes an account of a transnational action research project in post earthquake Haiti Each chapter contains discussion questions written and web resources and a list of key terms a full free access companion website is also available for the book *Manual for Urban Community Organizers* Delhi (India). Department of Urban Community Development,1959 **Community Organizing** George Brager,Harry Specht,1987 Considered to be a classic book for social work practitioners this thoroughly updated edition covers more recent literature research findings case illustrations and cross cultural perspectives This edition also reviews and tries to explain the changes in community organization that have taken place in the last decade It introduces new theoretical viewpoints exchange theory and organizational change theory to help better understand these changes Theoretical material concerning reciprocity and alienation is also introduced in this edition Other themes are relative deprivation accountability stages of group development and participatory benefits methods and techniques of community assessment contracting prospective members and outreach theories and techniques of establishment rapport leadership and its development and organizational theory ISBN 0 231 05462 9 24 00 **Community Organizing** ,1977 **Community Organizing as a Development Strategy** Ross J. Gittel,1994 *Creative Community Organizing* Angela Davis,Si Kahn,2011-08 This latest work by legendary social activist musician and author Kahn outlines many of the practical tactics organizers use but also emphasizes community organizing as a way of thinking and a way of life Consensus Organizing: A Community Development Workbook Mary L. Ohmer,Karen DeMasi,2008-10-15 A person doesn t have to be a consensus organizer to think like one Consensus Organizing A Community Development Workbook A Comprehensive Guide to Designing Implementing and Evaluating Community Change Initiatives helps students and practitioners begin to think like consensus organizers and incorporate this way of strategic thinking into their lives and their work Through a wide range of exercises role play activities case scenarios and discussion questions this workbook presents the conceptual framework for consensus organizing and provides a practical and experiential approach to understanding and applying consensus organizing to address a range of issues This workbook is designed to be used by itself or along with Mike Eichler s text *Consensus Organizing Building Communities of Mutual Self Interest* SAGE 2007 Accompanying Website Instructors and students have access to the many
