

Conclusion

In conclusion, this essay has discussed three key areas of CSR and has argued that it is an important consideration for larger companies in 2020. In promoting a good reputation in being environmentally friendly, supporting local companies and providing positive working conditions, evidence suggests that this will in the long-run improve profitability and encourage outside investment. One future prediction is that as consumers are becoming more ethically minded, now is the time to invest in CSR.

Thesis:

Remind the reader what your stance is.

Summary:

Summarise the key points made in main body paragraphs.
