**Germany: Revolution and Counter-revolution** Friedrich Engels,1936 Revolution and Counter-Revolution  
Friedrich Engels,Karl Marx,Eleanor Marx Aveling,2018-06-18 Revolution and Counter Revolution in Germany Friedrich  
Engels,2015-03-26 THE first act of the revolutionary drama on the continent of Europe has closed The powers that were  
before the hurricane of 1848 are again the powers that be and the more or less popular rulers of a day provisional governors  
triumvirs dictators with their tail of representatives civil commissioners military commissioners prefects judges generals  
officers and soldiers are thrown upon foreign shores and transported beyond the seas to England or America there to form  
new governments in partibus infidelium European committees central committees national committees and to announce their  
advent with proclamations quite as solemn as those of any less imaginary potentates A more signal defeat than that  
undergone by the continental revolutionary party or rather parties upon all points of the line of battle cannot be imagined But  
what of that Has not the struggle of the British middle classes for their social and political supremacy embraced forty eight  
that of the French middle classes forty years of unexampled struggles And was their triumph ever nearer than at the very  
moment when restored monarchy thought itself more firmly settled than ever The times of that superstition which attributed  
revolutions to the ill will of a few agitators have long passed away Everyone knows nowadays that wherever there is a  
revolutionary convulsion there must be some social want in the background which is prevented by outworn institutions from  
satisfying itself The want may not yet be felt as strongly as generally as might ensure immediate success but every attempt at  
forcible repression will only bring it forth stronger and stronger until it bursts its fetters If then we have been beaten we  
have nothing else to do but to begin again from the beginning **Revolution and Counter-Revolution, Or Germany in  
1848 (Classic Reprint)** Karl Marx,2017-05-22 Excerpt from Revolution and Counter Revolution or Germany in 1848 The  
great mass of the nation which neither belonged to the nobility nor to the bourgeoisie consisted in the towns of the small
