**Chivalry and Exploration, 1298-1630** Jennifer Robin Goodman, 1998 The literature of medieval knighthood is shown to have influenced exploration narratives from Marco Polo to Captain John Smith Explorers from Marco Polo to Captain John Smith viewed their travels and discoveries in the light of attitudes they absorbed from the literature of medieval knighthood Their own accounts and contemporary narratives reinforced by the interest of early printers reveal this interplay but historians of exploration on the one hand and of chivalry on the other have largely ignored this cultural connection Jennifer Goodman convincingly

develops the idea of the chivalric romance as an imaginative literature of travel she traces the publication of medieval chivalric texts alongside exploration narratives throughout the later middle ages and renaissance and reveals parallel themes and preoccupations She illustrates this with the histories of a sequence of explorers and their links with chivalry from Marco Polo to Captain John Smith and including Gadifer de la Salle and his expedition to the Canary Islands Prince Henry the Navigator Cort s Hakluyt and Sir Walter Raleigh JENNIFER GOODMAN teaches at Texas A M University **King Arthur and the Gods of the Round Table** David Dom, 2013-04-14 Did King Arthur really exist The oldest manuscripts refer to him as a Lord of Battle who emerged soon after the Roman Empire crumbled But what would be the origin of all these stories that turned a war leader into a king an emperor a legend even a god What if Arthur was really a deity similar to Zeus and Odin with his roots in the rich Celtic mythology of the British Isles A study of Arthurian myths reveals Britain s most legendary king as an ancient Sun God known by many different names in the myths of Wales and Ireland Even his Knights of the Round Table and his sister Morgan le Fay can all be identified as ancient Gods and Goddesses of earth sea and sky Their survival in Arthurian legend stands as a shining testament of a story far more ancient but by no means lost to us **"Por le soie amisté"**, 2021-11-01 These essays are a tribute to one of North America s most distinguished scholars of Old French literature Norris J Lacy Dealing with a wide range of medieval works they reflect the honorand s own scholarly interests in medieval narrative and its reception in later periods Together the contributions are witness not only to the esteem in which Norris Lacy is held by the profession but also to the collegial spirit of the international community of medievalists
