index **Routledge Handbook of Asia in World Politics** Teh-Kuang Chang, Angelin Chang, 2017-10-02 Asia is a complex and diverse continent which has seen the scope and pace of transformation increase rapidly over the past 30 years. In turn, the economic growth and social change seen in the region combined with new global security profiles and environmental challenges have contributed to placing Asia at the forefront of international affairs. This Handbook brings together leading scholars of different disciplines including Politics and International Relations, Security Studies and Law to provide a comprehensive analysis of both the prospects and problems which have emerged from Asia's rise. Examining how developments across the continent have influenced global politics and how the region has responded to the international community in the modern era, the sections cover Major actors in Asian politics especially China, Japan and India; International relations in Asia and intra-Asian tensions; Special issues of world politics in Asia including modern conflicts in and attitudes towards the Middle East. The Routledge Handbook of Asia in World Politics will be useful to students and scholars of Global Politics, International Relations and Asian Studies.

The Routledge International Handbook of Language Education Policy in Asia Andy Kirkpatrick, Anthony J. Liddicoat, 2019-04-17 This must-have handbook offers a comprehensive survey of the field. It reviews the language education policies of Asia encompassing 30 countries, sub-divided by regions: namely East, Southeast, South and Central Asia, and considers the extent to which these are being implemented and with what effect. The most recent iteration of language education policies of each of the countries is described and the impact and potential consequence of any change is critically considered. Each country chapter provides a historical overview of the languages in use and language education policies, examines the ideologies underpinning the language choices and includes an account of the debates and controversies surrounding language and language education policies, before concluding with some predictions for the future.
