Communication And Consequences Laws Of Interaction:

Communication and Consequences Robert Norton, David Allen Brenders, 1996 The communicative process allows sometimes forces one to make connections about the self and simultaneously how the self relates to the other and the world The bonus of communicating is that one makes connections with other individuals Not only are social connections made but political business spiritual esoteric and functional connections as well Each connection holds the possibility of teaching the person more about the self and the world This book helps individuals understand the dynamics of change particularly by focusing on enthymematic communication that can be used to effect change It demonstrates the simultaneous potential of communication to both constrain and free the individual The first part of the book establishes the theoretical ground by identifying the definitional issues defining communication and relating content and style to the sense making function of interaction The second part examines the primary consequences of interaction in both self and relational identity Communication creates self identification as well as relational identity both of which provide a means of stabilizing the self and simultaneously allowing for change

Law and Intersystemic Communication Gorm Harste, 2016-04-15 With contributions from experts in the field of sociology of law this book provides an overview of current perspectives on socio legal studies It focuses particularly on the relationship between law and society described in recent social systems theory as structural coupling The first part of the book presents a reconstruction of theoretical tendencies in the field of socio legal studies characterised by the emergence of a transnational model of legal systems no longer connected to territorial borders and culturally specific aspects of single legal orders In the following parts of the book the contributions analyse some concrete cases of interrelation between law and society from an empirical and theoretical perspective
