

United States History

Students study the lives of historical figures, including presidents, legislators, and activists. They also examine the lives of ordinary Americans, from slaves to laborers to scientists to artists. It examines the nation's democratic and republican traditions. Key historical events like the American Revolution and Reconstruction are covered. American history is taught as a story of individual Americans and their ideas that shaped the nation.

Historical photograph of a group of people, possibly a historical scene or a reenactment.

The American people are the authors of our history. They made the decisions, they did the work, and they created the culture that have shaped the United States. There are no shortcuts to significant understanding of the American past. Students who study American history are studying their country.
