Cyclopedia Of Freemasonry

George Oliver

Cyclopedia Of Freemasonry:

Illustrated History and Cyclopedia of Freemasonry Robert Macoy, 1908 A Cyclopedia of Freemasonry; embracing the whole of G. Oliver's Dictionary of Symbolical Masonry. ... Together with a comprehensive supplement; containing definitions of the technical terms used by the fraternity ... Edited by R. Macoy. Illustrated, etc George OLIVER (D.D., Rector of South Hykeham.), 1867 **Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 3: M-R** Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey's Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume three out of four and covering the letters M to R Illustrated history and cyclopedia of freemasonry Robert Macoy, 1868 *General History, Cyclopedia and Dictionary of Freemasonry* Robert Macoy, 2012-03-23 The present volume is intended to remedy many of the defects and omissions of its predecessors and to exhibit in a form of easy reference the latest developments and progress of the institution and the results of more recent investigations It contains a comprehensive explication of the whole system of Freemasonry and of kindred or similar associations ancient and modern being a careful condensation of all that has ever been written on the subject intelligible to the Fraternity and mysterious to the profane Its purpose will be effectually and satisfactorily answered if the definitions here given of the technical and other terms of Masonry shall prove of sufficient value to induce the reader to increase his stock of knowledge by a reference to other works where the subjects are more thoroughly discussed or to confirm the more advanced Mason in the truth of those noble principles of the Craft to the study of which he has devoted his time and talents In the preparation of the History of the Masonic Institution every available means has been adopted to obtain the most reliable information whereon to found a truthful chronicle of its origin and early progress throughout the several parts of the world The many and almost insurmountable difficulties in arriving at precise dates when the materials are scattered in different places or mixed with doubtful circumstances are sufficient to almost deter any writer from attempting the undertaking Notwithstanding the uncertainty with which much of the matter of history is surrounded a diligent and careful examination of the materials the probabilities of statements possessing the germs of truth were too convincing to be set aside without calm reflection and mature consideration With these views the history in the accompanying pages is offered to the Fraternity in the hope that it will prove satisfactory and useful Encyclopedia Of

Freemasonry Albert G. Mackey, 2013-10-24 Dr Albert G Mackey also the author of The Lexicon of Freemasonry appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here in one giant volume is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order For more than thirty years Dr Mackey has devoted earnest and constant study and research to the history the objects and the condition of Masonry In the present work the crowning and successful result of a life s labors he has received no assistance from any one He says Every article was written by myself and he adds which would extenuate errors had he fallen into any For twelve months too of the time occupied upon this work I suffered from an affection of the sight which forbade all use of the eyes for purposes of study During that time now happily passed all authorities were consulted by the willing eyes of my daughters all writing was done by their hands I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters and his preface closes with the words Were I to dedicate this work at all my dedication should be To Filial Affection Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions General History,
