B.S. Clarke Benjamin Strettell Clarke,1881 *The Song in the Night* Bob MacDonald,2016-11-11 Did you know that there
is a musical score embedded in the Hebrew Bible The Song in the Night presents this astonishing fact Experts have argued
over what the music is for over 1000 years Now you can examine the key to the music and imagine how the whole song might
sound You can see clearly how the accents in the text translate into music and marvel how our ancestors designed this
elegant insight to the tone of voice that is still there in the Bible How valuable it is to hear the Word of the Most High with its
tone of voice and realize that it is not the same voice that we have imagined It is of course a voice of kindness a voice of truth
a voice of love and a voice of grief calling all creation into everlasting praise **The Song of Songs and the Ancient**
