largely forgotten connections between literary and theological modernisms It shows that early twentieth century authors poets and critics including Rainer Maria Rilke T S Eliot and Czes aw Mi osz actively engaged with the debates between modernist and neo scholastic theologians raging across Europe These debates contributed to developing new ways of thinking about the relationship between religion and literature and informed contemporary critical writings on aesthetics and poetics Adel George Lewthwaite,1887 **Adel: its church (reprod. from the reports of the Yorkshire architectural soc.).
