From Dictatorship to Democracy Gisele Iecker de Almeida, 2024-12-11 In *From Dictatorship to Democracy* Confronting the Authoritarian Past in Brazil Dr Gisele Iecker de Almeida offers a thought provoking examination of how government initiatives construct representations of the past and can play a crucial role in shaping collective memory Focusing on Brazil s difficult heritage this groundbreaking monograph delves into the complex landscape of memory surrounding the dictatorship and its enduring legacies Through a critical analysis of Brazilian policies implemented between 1995 and 2016 including the Special Commission on Political Deaths and Disappearances the Amnesty Commission Revealed Memories and the Brazilian National Truth Commission de Almeida unveils how these initiatives have attempted to influence the understanding and perception of the dictatorship This book challenges the notion of a purely factual and neutral approach to remembering the past illuminating how memory policymaking and historical interpretation are intricately intertwined It examines the interplay between memory and politics shedding light on how government initiatives actively participate in the process of constructing representations of the past From the selective portrayal of events to the formulation of grand narratives about the past de Almeida presents a comprehensive analysis of the discursive mechanisms and rhetorical patterns employed by Brazilian transitional justice initiatives This monograph is an indispensable resource for scholars policymakers and anyone interested in memory politics transitional justice and the construction of representations of the past It offers a fresh perspective on the power dynamics involved in memory making and invites readers to critically reflect on how the past is represented

Not My Words Ofer Feldman, 2025-01-08 This edited collection of studies brings together a number of internationally distinguished scholars to provide a comprehensive and detailed examination of the usage and function of quotations and citations in political rhetoric in a variety of countries around the globe including North and South America Europe the Middle

East and Asia Chapters consider quotations and citations as important at times unavoidable elements of argumentative and persuasive speech and writing They examine quotations on the one hand as forms of a direct way of providing evidence to support the speaker s or writer s arguments statements or assumptions that their speech or writing is within an already established larger claim enabling them to say or write something about it with authority On the other hand chapters maintain that quotations and citations can be also used as a powerful device to refute them That is the speaker will quote something in order to knock it down i e use it as a springboard to express doubts regarding the original utterance to criticize disagree or ridicule the speaker or to present the contradictory position Contributions to this volume explore aspects related to the manner such quotations take place the forms and genres of rhetoric that they enable and their effect as an important topic for political and social psychologists as well as for communication and linguistics researchers who are interested in the study of the nature of contemporary politics With only a handful studies systematically considering such aspects of political rhetoric and behavior this anthology aims to bridge the gap in this area s scholarly knowledge while delving into central features of political communication and persuasion and their effect in present day societies
