Danish Kings The Jomsviking:

Danish Kings and the Jomsvikings in the Greatest Saga of Óláfr Tryggvason Ólafur Halldórsson,2000 *The Saga of the Jomsvikings* Norman Francis Blake,1962 In A D 986 Earl Hakon ruler of most of Norway won a triumphant victory over an invading fleet of Danes in the great naval battle of Hjørunga Bay Sailing under his banner were no fewer than five Icelandic skalds the poet historians of the Old Norse world Two centuries later their accounts of the battle became the basis for one of the liveliest of the Icelandic sagas with special emphasis on the doings of the Jomsvikings the famed members of a warrior community that feared no one and dared all In Lee M Hollander s faithful translation all of the unknown twelfth century author s narrative genius and flair for dramatic situation and pungent characterization is preserved [Infantry Journal](#) ,1930 [The Viking King's Golden Treasure](#) Sven Rosborn,2021-05-17 A newly discovered material rewrites early Danish Viking history In 2014 a 11 year old girl Maja Sielski and her younger sister Julia made a sensational discovery among their deceased grandmother s belongings They found a small golden plate with a Latin script telling the story of the legendary Viking king Harald Bluetooth It soon turned out that the golden plate was once placed in the king s tomb and this tomb contained world s largest known golden treasure of Viking era A transcript of a previously unknown chronicle *Gesta Wulinensis ecclesiae pontificum* from the 990s has also been found The manuscript was written by the king s own priest Avico probably in an attempt to canonize the king after his death in year 985 Avico has been in the service of the king since the 950s His extensive account gives a remarkable and dramatic picture of the Viking age Scandinavia during the 10th century Here is a story of the struggle for power and the foundation of the future dynasties in Denmark Sweden and Norway as well as Viking raids in Ireland and England The account also tells of the founding of the legendary Viking fortress of Jomsborg and the fortress s powerful mercenaries The book describes in detail these unique facts but it also gives an overall picture of the Viking Age era for those who are not familiar with the subject [The Curmsun Disc](#) The Curmsun Disc is a concave gold disc of a weight of 25.23 grams 0.890 oz and a diameter of 4.5 centimetres 1.8 in The Danish Viking king Harald Bluetooth and the name of the stronghold of Jomsborg is mentioned in the latin inscription on the disc The disc was reportedly found as part of a Viking Age hoard discovered in 1841 in the cellar crypt of the ruined chapel at Gro Weckow village in Pomerania This location is just east of the bank of the river Dievenow and near the place where the semi legendary Viking stronghold of Jomsborg stood between the 960 s and 1043 According to the author the entrance to the crypt was accidentally discovered by a 12 year old Heinrich Boldt actor Ben Affleck s said to be maternal great great grandfather who was playing with some younger children at a construction site near the ruined chapel [The Fantastic in Old Norse/Icelandic Literature](#) John McKinnell,David Ashurst,Donata Kick,2006 [The Real Valkyrie](#) Nancy Marie Brown,2021-08-31 In the tradition of Stacy Schiff s *Cleopatra* Brown lays to rest the hoary myth that Viking society was ruled by men and celebrates the dramatic lives of female Viking warriors Once again Brown brings Viking history to vivid

unexpected life and in the process turns what we thought we knew about Norse culture on its head Superb Scott Weidensaul author of New York Times bestselling *A World on the Wing* Magnificent It captured me from the very first page Pat Shipman author of *The Invaders* In 2017 DNA tests revealed to the collective shock of many scholars that a Viking warrior in a high status grave in Birka Sweden was actually a woman The Real Valkyrie weaves together archaeology history and literature to imagine her life and times showing that Viking women had more power and agency than historians have imagined Nancy Marie Brown uses science to link the Birka warrior whom she names Hervor to Viking trading towns and to their great trade route east to Byzantium and beyond She imagines her life intersecting with larger than life but real women including Queen Gunnhild Mother of Kings the Viking leader known as The Red Girl and Queen Olga of Kyiv Hervor s short dramatic life shows that much of what we have taken as truth about women in the Viking Age is based not on data but on nineteenth century Victorian biases Rather than holding the household keys Viking women in history law saga poetry and myth carry weapons These women brag As heroes we were widely known with keen spears we cut blood from bone In this compelling narrative Brown brings the world of those valkyries and shield maids to vivid life **Viking Legacy** Torgrim

Titlestad,2018-05-26 More than marauders and bloodthirsty conquerors the Vikings were builders of a civilization which influence may still be seen in the modern world The Viking Age is arguably one of the most fascinating epochs in history and in this book a new narrative is presented based on Viking history as it is told in the Norse Sagas Viking Legacy represents a new generation of books exploring the Viking Age By integrating the Saga literature with other sources a more complete picture emerges of this increasingly popular era and a civilization that would change the course of history Torgrim Titlestad professor dr philos is one of Norway s foremost experts and most prolific authors on the Viking Age and Saga history He is the recipient of the Saga Award 2016 and was appointed Knight of the Order of the Falcon 2017 by Iceland s President Gu ni Th J hannesson for his work with the Norse sagas especially Tormod Torf us Magnum Opus *Historia Rerum Norvegicarum* and the Icelandic saga treasure *Flateyjarbók* Norway, official publ. for the Paris exhibition, 1900 [ed. by S. Konow and K. Fischer]. Sten Konow,1900 Nations of the World: Sörensens, S. Norway ,1899 **Empty Triumphs** R. Hyslop, The Baltic

984 85 Ethelwulf the Wanderer and his company arrive in the court of the aged Harald Bluetooth in Denmark Along with the giant Thorgrim the Short Ethelwulf is persuaded to help a Wendish tribe plundered by the mysterious Sons of Hel There follows the horrors of pagan rites the treachery of a king and then the enforced recruitment into the forces of Styrbjorn claimant to the Swedish throne The attempt is a disaster and Ethelwulf has to somehow slip away without the slur of nidding With extensive factual End Notes Part 5 of a nine part series set in the 10th century Viking world Here the background is a pagan world of the Baltic Sea with a divided Viking society and savage neighbours **Danorum Regum Heroumque Historia, Books X-XVI** Saxo (Grammaticus),1978 *Between History and Myth* Bruce Lincoln,2014-09 Medieval accounts of how Norway was unified by its first king provide a lively revealing and wonderfully entertaining

example of this process Taking the story of how Harald Fairhair unified Norway in the ninth century as its central example Bruce Lincoln illuminates the way a state s foundation story blurs the distinction between history and myth and how variant tellings of origin stories provide opportunities for dissidence and subversion as subtle or not so subtle modifications are introduced through details of character incident and plot structure
