Identification of Darius the Mede George Law,2010-06-04 Darius, the son of Ahasuerus, the Mede: who was he?
By an inconnu Darius (the Mede.),1898 Darius the Mede and the Four World Empires in the Book of Daniel H. H. Rowley,2006-09-01 The present study is limited to the related questions of Darius the Mede and the Four World Empires of Nebuchadnezzar's dream and of Daniel's first vision So far as Darius the Mede is concerned it is still generally agreed within the critical school that he has no place in history and that he is a fictitious creation out of confused traditions But anti critical orthodoxy has not given up the attempt to find a place in history for him So far as the Four World Empires are concerned the issue is not between critical orthodoxy and anti critical orthodoxy For here almost every solution which is proposed goes back far beyond the foundation of the critical school The present study will therefore be limited to the consideration of theories which have appeared in writings published within the present century but will take into account the advocacy of those theories both before and during this century It will aim to determine which of these theories may be accepted and to show why those rejected are untenable It will also aim to strengthen the defences of the positions adopted against the many challenges which surround them and to advance fresh considerations for their support from the Introduction *Darius the Mede* John C.
