Dark Crusade:

Apocrypha of the Dark Crusade D. L. Burt, 2012-11-30 In a Gothic galaxy on the verge of oblivion an ancient race discovers a lost device able to create souls and comes in conflict with those sent to reclaim it Suppose you had to fight a war in a place you could not go So you sent warriors protected in specially made armor to do the fighting for you For thousands of years they fought and died in your name only to be resurrected and returned again and again ever engaged in eternal war waged by immortal warriors Now suppose the device to grant them infinite life has been stolen by your enemy who now has the power to existence erase your warriors forever A science fiction horror story set in the Sixth Millennium the last book of the Apocrypha trilogy is told in a tense gothic style immersed in Norse and Egyptian lore Chronicling the quest for the lost Ark of Souls Relics of the Realm takes you into an alien civilization on the verge of redemption and resurrection a culture very similar to our own and every bit as terrifying What thing so vile Good and Evil join forces against it **The Dark Crusade** Walter H. Hunt, 2005-08 The Dark Path introduced a new alien force into the delicate balance of power one that was the actual puppetmaster of the human zor war and now wishes to bring both worlds under its madness inducing shadow while The Dark Ascent brought into focus a secret conspiracy that is disrupting the balance of power on both a military and metaphysical level But the same ancient philosophy of the zor race that prophesized the Dark Wing has also foreseen a hero that will meet the new menace a hero now mystically embodied in a rebellious space commodore by the name of Jackie Lappierre Now in The Dark Crusade as armadas clash and outposts fall the overly confident alien menace is forced to confront a zor human alliance that has been warned their covert and insidious plans of infiltration now exposed but all is not as it seems to be The vuhl menace may not be the ultimate enemy and the all powerful puppetmasters that have lurked in the shadows have entered the endgame where the mysteries of alien prophecies may have already determined the outcome Though victory is hardly ascertained for either side in The Dark Crusade in a page turning and thought provoking climax that will forever alter the fate of sentient life in the galaxy *Dark Energy* G L Keady, 2024-05-12 In book three SONS OF STEEL DARK ENERGY Secta is keeping Alice hidden from Oceana Government agents whilst he and his scientist sister Dr Hope work on a means to stabilize his condition Secta has also refined the time travel process and experiments on targeting specific destinations in time using a particle collider When Alice is contacted by a mysterious alien called Enki a former Assyrian god and given a quest that is critical to saving mankind from certain peril he needs to use Secta s new technology to travel to Jerusalem in 587 BCE to find the Ark of the Covenant and prevent it falling into the hands of King Nebuchadnezzar II But Zen Corporation also want the Ark of the Covenant and when the President of Oceana learns of Secta and Alice s secret intentions he also wants the famous relic Alice is dispatched into the past to find the Ark and becomes embroiled in the politics of the time fighting with the Hebrews At the same time Zen captures Secta and has him send one of their evil agents Anu Set through a wormhole to tail Alice find the Ark and then kill him Alice takes on forces of biblical proportions
