Promise of Shadows Justina Ireland,2014-03-11 A healthy dose of action a strong thread of humor and just a touch of romance VOYA starred review A teen who is half god half human must own her power whether she likes it or not in this snappy snarky novel with a serving of smoldering romance that Kirkus Reviews calls a dark slyly funny read Zephyr Mourning has never been very good at being a Harpy She d rather watch reality TV than learn forty seven ways to kill a man and she pretty much sucks at wielding magic Zephyr was ready for a future pretending to be a normal human instead of a half god assassin But all that changed when her sister was murdered and Zephyr used a forbidden dark power to save herself from the same fate On the run from a punishment worse than death an unexpected reunion with a childhood friend upends Zephyr s world and not only because her old friend has grown surprisingly extremely hot It seems that Zephyr might just be the Nyx a dark goddess that is prophesied to shift the power balance for hundreds of years the half gods have lived in fear and Zephyr is supposed to change that But how is she supposed to save everyone else when she can barely take care of herself
