Dark Victory Through Depression To Hope:

Dark Victory Martin Israel,1995-01-01 This exploration of depression argues that all our moods and inward states have value and that a state of depression which we tend to want to avoid is perhaps the most important for spiritual growth and self understanding The author s other works include *The Pain That Heals* **Hearing Young People Talk about**

Witnessing Domestic Violence Susan Collis,2013 This book explores the cases of five young people who have been victims of domestic violence It provides deep insight into how their experiences have affected their emotional behaviour the complexities of issues related to it and those aspects of support which provide the greatest benefit to them *When the*

News is Bad Ann Faulkner,1998 Communicating bad news is part of any health care professional s daily work yet it causes difficulties for those who see their role in terms of cure and care towards restored mental health and physical health If news is given badly it can cause pain and confusion for the recipient and stress and regret in the messenger Skills of information giving need to be combined with the ability to reflect the needs of the recipients are essential enabling the recipient to take it in and move forward Case studies illustrate the thinking behind the approach presented in this book the guidelines make compelling reading as they are the fruit of this well known author s wide experience in both the clinical and teaching fields of health care
