Darkness Could Not Hide The Glow:

Shine: Being His Light in Darkness Rebecca J. Nolley ,2022-03-28 When we look around at the darkness of this world it s hard to see the light Jesus declared As long as I am in the world I am the light of the world John 9 5 Yet Jesus is no longer in the world In fact it s been over two thousand years since He s walked this earth So where is the light now The truth is that it s in us As said in Matthew 5 14 You are the light of the world Shine is an eight week study into this truth into identifying the One True Light and learning how to shine brighter for Him God s light reveals truth draws others and exposes sin and our own light works to do the same However it is not so easy because it s a fight against fear selfishness apathy and the harmful impulse to hide one s personal light The very concept of light is seen all throughout Scripture blooming with the first verses of Genesis and concluding with the last verses of Revelation and it is through this that Shine sheds its own light onto God s Word Rebecca J Nolley utilizes compassion and inspiration to explore the significance of walking forward as beacons of light and the valuable message that when we shine the light of Jesus into the lives of others more people will turn to Him and He will be further glorified Shine begins and ends its study with the Giver of Light and the simple truth that it is through Him and by Him we are able to shine

A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical Johann Peter Lange,1872 *The Cloud That Learned to Shine* Michael Paul,2025-06-05 What if a cloud could find its own light In a sky filled with storms one small cloud feels lost gray quiet and unsure of where it belongs But when a powerful wind sweeps it across distant lands and unfamiliar skies the cloud begins a journey unlike any other a journey through darkness doubt and discovery As it drifts through

tempests meets other clouds and learns from the stars above and the earth below the cloud begins to realize that true light doesn't come from the sun alone it comes from within The Cloud That Learned to Shine is a heartfelt poetic tale of transformation resilience and hope Perfect for readers of all ages it offers a gentle reminder that even in our cloudiest moments we hold the power to shine For anyone who has ever felt overlooked uncertain or afraid to rise this is your story
