**Darknesses** L. E. Modesitt Jr.,2014-11-06 A magical calamity spread a dark age across the planet leaving Corea a divided warring world where kingdoms fight and people live amongst supernatural beings and bizarre animals A few rare humans have Talent the ability to use magical powers and are thus either cursed or blessed Alucius is one of the most Talented of all and is now rising quickly through the ranks of the Iron Valleys Militia He has to have all his wits about him to survive in a complex political landscape having spent his childhood on an isolated nightsheep ranch He must stretch his Talent and military skill to their limits as he battles to keep himself and his men alive in a fierce border war while the greatest evil yet awaits him where he least expects to find it **The A to Z of Fantasy Literature** Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping

fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

E. Modesitt, Jr., 2010-07-01 Legacies book one of the Corean Chronicles begins a new epic fantasy series by L. E. Modesitt Jr., author of the bestselling Saga of Recluce. Enter this new and exciting world. Millennia ago, a magical disaster caused the fall of a civilization, the end of a golden age. New civilizations emerged from the ancient destruction and chaos, knowing little of the past or the disaster. Corus today is a world of contending countries, humans, and supernatural creatures. It is a place of magical powers and of a few people who are talented enough to use them. Alusius is drafted into the local Militia and must fight against the invading slave armies of The Matrial, an immortal ruler in a nearby land. If the evil surrounding The Matrial is not brought to an end, the world as he knows it could very well end.
