Das Haus In Dem Ich Wohne:

Na Klar! 1 - Student's Book Michael Spencer, Alan Wesson, 2004 Don't let them drop German A major growing concern in schools is the decline in the number of language students and the impact this could have on your department Which is why we've developed Na klar the only course to captivate all your students and help keep German alive in your school *The Bellamy Trial* Frances Noyes Hart, The red headed girl sank into the seat in the middle of the first row with a gasp of relief Sixth seat from the aisle yes that was right the label on the arm of the golden oak chair stared up at her reassuringly Row A seat 15 Philadelphia Planet The ones on either side of her were empty Well it was a relief to know that there were four feet of space left unoccupied in Redfield even if only temporarily She was still shaken into breathless stupor by the pandemonium in the corridors outside the rattling of regiments of typewriters of armies of tickers the shouts of infuriated denizens of telephone booths the hurrying frantic faces of officials the scurrying and scampering of dozens of rusty haired freckled faced insubordinate small boys whose olive drab messenger uniforms alone saved them from extermination the newspaper men you could spot them at once looking exhausted and alert and elaborately bored the newspaper women keen and purposeful and diverted and above and around and below all these licensed inhabitants the crowd a vast jostling lunging beast with one supreme motive galvanizing it to action an immense a devouring curiosity that sent it surging time and time again against the closed glass doors with their blue coated guardians fragile barriers between it and the consummation of its desire For just beyond those doors lay the arena where the beast might slake its hunger at will and it was not taking its frustration of that privilege amiably The red headed girl set her little black feathered hat straight with unsteady fingers She wasn't going to forget that crowd in a hurry It had growled at her actually growled when she'd fought her way through it armed with the magic of the little blue ticket that spelled open sesame as well as press section Who could have believed that even curiosity would turn nice old gray headed ladies and mild looking gentlemen with brown moustaches and fat matrons with leather bags and thin flappers with batik scarfs into one huge ravenous beast She panted again reminiscently at the thought of the way they'd shoved and squashed and kneaded and then settled down to gratified inspection So this was a courtroom Not a very large or very impressive room looked at from any angle It might hold three hundred people at a pinch and there were conservatively about three thousand crowding the corridors and walking the streets of Redfield in their efforts to expand its limits Fan shaped with nine rows of the golden oak seats packed with grimly triumphant humanity the first three neatly tagged with the little white labels that metamorphosed them into the press section Golden oak panelling half way up the walls and then whitewashed plaster rather dingy smoky plaster its defects relentlessly revealed by the pale autumnal sunshine flooding in through the great windows and the dome of many coloured glass lavish and heartening enough to compensate for much of the grimness and the grime Near enough for the red headed girl to touch was a low rail and beyond that rail a little empty space like a stage empty of actors but cluttered with chairs and tables At the back was a small

platform with a great high backed black leather chair and a still smaller platform on a slightly lower level with a rail about it and a much more uncomfortable looking chair The judge s seat the witness box she gave a little sigh of pure uncontrollable excitement and a voice next to her said affably Hi Greetings stranger or hail friend as the case may be Can I get by you into the next seat without damaging you and those feet of yours materially The red headed girl scrambled guiltily to the offending feet unobtrusive enough in themselves but most obtrusively extended across the narrow passage and turned a flushed and anxious countenance on her cheerful critic now engaged in folding himself competently into the exiguous space provided by the golden oak chair A tall lanky young man with a straight nose mouse coloured hair shrewd gray eyes and an expression that was intended to be that of a hard boiled cynic and that worked all right unless he grinned He wore a shabby tweed suit a polka dotted tie had three very sharp pencils and a good sized stack of telegraph blanks clasped to his heart Obviously a reporter a real reporter The red headed girl attempted to conceal her gold pencil and leather bound notebook smiling tentatively and ingratiatingly

Na Klar! 1 - Resource and Assessment File Michael Spencer, Geoff Brammall, 2004 Na klar is the German course for the Key Stage 3 National Framework Na klar is a three stage course covering all requirements up to Key Stage 4 At Key Stage 4 the course is particularly appropriate for the AQA specifications
