Dud Avocado:

The Dud Avocado Elaine Dundy, 2007-06-05 A smart funny classic about a young and beautiful American woman who moves to Paris determined to live life to the fullest The *Dud Avocado* follows the romantic and comedic adventures of a young American who heads overseas to conquer Paris in the late 1950s Edith Wharton and Henry James wrote about the American girl abroad but it was Elaine Dundy's Sally Jay Gorce who told us what she was really thinking Charming sexy and hilarious The *Dud Avocado* gained instant cult status when it was first published and it remains a timeless portrait of a woman hell bent on living I had to tell someone how much I enjoyed The *Dud Avocado* It made me laugh scream and guffaw which incidentally is a great name for a law firm Groucho Marx The *Dud Avocado* is one of the best novels about growing up fast The Guardian [My Place](#) Elaine Dundy, 2025-11-04 Elaine Dundy's follow up to the immensely successful novel *The Dud Avocado* was a now little known play *My Place* first performed in 1962 Set in the dressing room of an actress who doesn't have a place of her own to live *My Place* according to journalist Bernard Levin is as cynical hip beat amoral and generally with it as could be Author Clancy Sigal wrote The best and most lasting thing about Miss Dundy's play is her depiction of a new race of working class provincial free living and insecure actors without traditions or education and needing and resisting both These are tough poignant young people wanting to be themselves but desperately afraid of being phoned up if anyone official or anything systematic touches them In this sense they are symptomatic of that whole social class of new wave young English people We envy their groping and their embattled pride [Palimpsest](#) Gore Vidal, 1996-09-01 This explosively entertaining memoir abounds in gossip satire historical aperçus and trenchant observations Vidal's compelling narrative weaves back and forth in time providing a whole view of the author's celebrated life from his birth in 1925 to today and features a cast of memorable characters including the Kennedy family Marlon Brando Anais Nin and Eleanor Roosevelt

Season of Migration to the North Tayeb Salih, 2009-04-14 After years of study in Europe the young narrator of *Season of Migration to the North* returns to his village along the Nile in the Sudan It is the 1960s and he is eager to make a contribution to the new postcolonial life of his country Back home he discovers a stranger among the familiar faces of childhood the enigmatic Mustafa Sa'eed Mustafa takes the young man into his confidence telling him the story of his own years in London of his brilliant career as an economist and of the series of fraught and deadly relationships with European women that led to a terrible public reckoning and his return to his native land But what is the meaning of Mustafa's shocking confession Mustafa disappears without explanation leaving the young man whom he has asked to look after his wife in an unsettled and violent no man's land between Europe and Africa tradition and innovation holiness and defilement and man and woman from which no one will escape unaltered or unharmed *Season of Migration to the North* is a rich and sensual work of deep honesty and incandescent lyricism In 2001 it was selected by a panel of Arab writers and critics as the most important Arab novel of the twentieth century **Admissions** Kendra James, 2022-01-18 NAMED A BEST NONFICTION
