much critical disagreement Staged during James I s first Christmas at Whitehall it was doubtlessly written to further his patronage of Shakespeare s acting company the King s Men Dramatizing James s view that justice should be tempered with mercy its theme involved fornication or sex without a church wedding which was not unrelated to the dramatist s own past Duke Vincentio intended as a surrogate for James wished to see the guilty punished with the death penalty but Shakespeare s use of ambiguity in permitting varied interpretations ensured that the play as a Christmas comedy would have pleased King James while allowing Shakespeare s own response to have been different from the king s The Duke's Proposal Chula Stone,2015-09-30 Sophia Tamworth never planned to marry having chosen instead to look after her aging father and assist her brother in the running of the family estate Then Spencer Preston the duke of Page came to court her sister Spencer tired long ago of the frivolities of London high society and a marriage to Dorothy Tamworth agreed with her father before his passing seemed like the perfect arrangement until he met her sister Sophia intrigues and excites him and he cannot help but imagine her sharing his bed as his wife and sharing it often When he learns that Dorothy has fallen in love with another man and does not wish to wed him he offers Sophia a proposal Although she is shocked by the duke s offer of marriage Sophia sees no other way to help her sister avoid a scandal and she reluctantly accepts She quickly discovers however that her new husband is a man to be reckoned with and that her attempts to manipulate him have a good chance of ending with her lying over his knee for a bare bottom spanking Her duties as a wife initially fill her with trepidation but Sophia soon finds that the duke can be as patient as he is passionate and as gentle as he is firm More disturbing still is the fact that if she is not careful Sophia fears that she may soon fall deeply in love with her husband Publisher s Note The Duke s Proposal contains both consensual and non consensual spankings of an adult woman including domestic discipline in a Regency era setting If such material offends you please don t buy this book Shakespeare Survey: Volume 53, Shakespeare and Narrative Peter Holland,2000-11-02 The theme for Shakespeare Survey 53 is Shakespeare and Narrative Awards ... The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
