**Rethinking Virtue Ethics** Michael Winter,2011-09-06 Rethinking Virtue Ethics offers a model of Aristotelian virtue ethics based on a deductive paradigm This book argues that contrary to what many contemporary thinkers are inclined to believe Aristotelian virtue ethics is consistent with at least some action guiding moral principles being true unconditionally and that a justification for general moral principles can be grounded in fundamental concepts within Aristotle s theory An analysis of ethical propositions that hold for the most part is proposed that fits well within the deductive paradigm developed This unique interpretation of virtue ethics has implications for recent discussions of the virtues in social psychology issues about how fundamental moral principles are known questions about the justification of inalienable rights debates about moral particularism and generalism and discussions of moral realism and anti realism

**Being and the Between** William Desmond,1995-03-30 As Plato told us long ago the human being is neither a god nor a beast but someone in between Philosophy too is in between How do we philosophize in between What is the being of the between This book answers the question in the most comprehensive terms possible It offers an original understanding of metaphysical thinking and the fundamental senses of being namely the univocal equivocal dialectical and metaxological senses Part I of Being and the Between focuses on the nature of metaphysics the question of being in terms of the above fourfold sense Part II develops a metaphysics of being as between relative to our basic perplexities concerning origin creation things intelligibilities selves communities being true being good The book calls for a generous hermeneutical rethinking of the philosophical tradition Major figures and positions are reinterpreted Desmond addresses the issue common since Hegel endemic since Heidegger concerning the end of metaphysics Granting a proper understanding of the between Desmond believes that we need a resurrection of metaphysics where the old perplexities ever new stand before us again
