# Dungeon Crawl Classics #2

## The Lost Vault of Tsathzhar Rho

by Michael Mearls

AN ADVENTURE FOR 1ST LEVEL CHARACTERS

Remember the good old days, when adventures were underground, NPCs were there to be killed, and the finale of every dungeon was the dragon on the 20th level? Those days are back. Dungeon Crawl Classics adventures don't waste your time with long-winded speeches, weird campaign settings, or NPCs who aren't meant to be killed. Each adventure is 100% good, solid dungeon crawl, with the monsters you know, the traps you remember, and the secret doors you know are there somewhere.

A simple expedition to get rid of a marauding ogre soon becomes more than it seems. A mysterious force has transformed the ogre and the kobold tribe he once bullied into twisted, demented creatures. When the characters enter the ogre's cave, they find a passage behind leading deep into the mountains. Soon they arrive at the lost vault of the sorcerer Tsathzhar Rho, where they are confronted with the terrifying dangers of a lost epoch!

If you enjoy this adventure, look for the rest of the Dungeon Crawl Classics series!
