Durable Inequality

Charles Lindell Patton

Durable Inequality:

Durable Inequality Charles Tilly, 1998 Annotation Provides a fresh look at the causes and effects of inequality drawing attention to the place of unequal categories in exploitation

Durable Inequality Charles Tilly, 1998 *Race, Economics, and the Politics of Educational Change* John M. Amis, Paul M. Wright, 2017-01-10 The 2010 national midterm elections produced Republican majorities in Tennessee for the first time since Reconstruction In the wake of that election leaders of the Shelby County Schools SCS school district began legislative maneuvering to advance a long cherished goal granting their schools special school district status a move that would permanently sever the relationship between the SCS and the other school district in the county Memphis City Schools MCS Leaders of MCS realized this action would deprive it of funding from a significant part of the county's tax base So they made a stunning move of their own they renounced the MCS charter Ironically under Tennessee law this action required SCS to take over the running of Memphis's schools SCS would actually be forced to merge with MCS Thus began the largest school district consolidation in the history of the United States *Race Economics and the Politics of Educational Change* progresses through nine chapters that examine the MCS SCS merger from a variety of disciplinary perspectives Historical sociological political legal institutional urban planning media studies and educational analyses of the consolidation render John M Amis and Paul M Wright's volume a valuable tool for researchers students policy makers and educators alike The investigations in this work reveal deeply entrenched inequalities that have thwarted education particularly for poor minority students throughout the region's history This text presents insight into factors that have shaped not just the school system in Shelby County but similar systems across the United States A model for other urban areas that face similar challenges this volume will serve as a significant resource for those seeking to understand the trajectory of large scale educational transformations

[Euro-Caribbean Societies in the 21st Century](#) Sébastien Chauvin, Peter Clegg, Bruno Cousin, 2018-05-16 This edited collection examines the realities of the last remnants of the European colonial empires in the Caribbean namely the British Dutch and French overseas territories Although known and perhaps infamous for their role as high end tourist destinations and financial centres these small jurisdictions are complex and multifaceted places While this volume considers their role as financial centres it does so from alternative and original perspectives by examining how the sector shapes the internal dynamics of these Caribbean societies and how it is itself shaped by global trends A range of contributions is included that highlight other key issues Political relations between the territories and their metropolitan centres and with the European Union are the focus of several chapters highlighting the stresses and strains and in many cases the unfulfilled expectations of devolved governance Further chapters describe the economic instability and factors of political conflict faced by some of these societies and the available options to address them Finally several chapters reflect more specifically on the territories internal social and ethnic dynamics and the hierarchies and inequalities that result Bringing together a variety of different disciplinary perspectives from political science

to sociology and from anthropology to geography this book will be of great interest to any academic or student who wishes to see how an often overlooked part of the world is actually a key site of socio economic transformation and a crucial nexus in global affairs

S bastien Chauvin is a sociologist and an Associate Professor at the Institut des Sciences Sociales at the University of Lausanne Switzerland His research deals with immigration citizenship gender sexuality law and labour in France and the USA With Bruno Cousin he has also developed a multi sited research programme on social and symbolic capital and the cultural sociology of economic lites with a focus on Western Europe lite male social club sociability the Caribbean region Saint Barth lemy and new forms of conspicuous consumption among the global super rich His other ongoing writing explores the intersections of race nationalism sexuality and citizenship in the Netherlands France and the USA Peter Clegg is Associate Professor in Politics and Head of the Department of Health and Social Sciences at the University of the West of England Bristol UK He was formerly Visiting Research Fellow at both KITLV Royal Netherlands Institute of South East Asian and Caribbean Studies Leiden Netherlands and at the Sir Arthur Lewis Institute of Social and Economic Studies SALISES University of the West Indies Jamaica His main research interests focus on contemporary developments within the United Kingdom Overseas Territories and the international political economy of the Caribbean Bruno Cousin is Assistant Professor of Sociology at Sciences Po France and an affiliate of the Centre of European Studies and Comparative Politics CEE France Previously he was Assistant Professor at the University of Lille France and Postdoctoral Research Fellow at Harvard University USA and has held visiting positions at NYU the University of Amsterdam and Birkbeck His research interests focus on class relations residential segregation social capital and forms of bourgeois sociability and the modes of lites legitimization He is currently conducting research with S bastien Chauvin on Saint Barth lemy French West Indies whose first results have been published in *Ethnologie fran aise* and *Geographies of the Super Rich* 2013 and he has recently co authored *Ce que les riches pensent des pauvres* 2017

Collective Violence, Contentious Politics, and Social Change Ernesto Castañeda, Cathy Schneider, 2017-05-08 Charles Tilly is among the most influential American sociologists of the last century For the first time his pathbreaking work on a wide array of topics is available in one comprehensive reader This manageable and readable volume brings together many highlights of Tilly s large and important oeuvre covering his contribution to the following areas revolutions and social change war state making and organized crime democratization durable inequality political violence migration race and ethnicity narratives and explanations The book connects Tilly s work on large scale social processes such as nation building and war to his work on micro processes such as racial and gender discrimination It includes selections from some of Tilly s earliest influential and out of print writings including *The Vend e* *Coercion Capital and European States* the classic *War Making and State Making as Organized Crime* and his more recent and lesser known work including that on durable inequality democracy poverty economic development and migration Together the collection reveals Tilly s complex compelling and distinctive vision and helps place the

contentious politics approach Tilly pioneered with Sidney Tarrow and Doug McAdam into broader context The editors abridge key texts and in their introductory essay situate them within Tilly's larger opus and contemporary intellectual debates The chapters serve as guideposts for those who wish to study his work in greater depth or use his methodology to examine the pressing issues of our time Read together they provide a road map of Tilly's work and his contribution to the fields of sociology political science history and international studies This book belongs in the classroom and in the library of social scientists political analysts cultural critics and activists

Understanding Class Erik Olin Wright, 2015-09-15

Leading sociologist examines how different readings of class enrich our understanding of capitalism Few ideas are more contested today than class Some have declared its death while others insist on its centrality to contemporary capitalism It is said its relevance is limited to explaining individuals economic conditions and opportunities while at the same time argued that it is a structural feature of macro power relations In *Understanding Class* leading left sociologist Erik Olin Wright interrogates the divergent meanings of this fundamental concept in order to develop a more integrated framework of class analysis Beginning with the treatment of class in Marx and Weber proceeding through the writings of Charles Tilly Thomas Piketty Guy Standing and others and finally examining how class struggle and class compromise play out in contemporary society *Understanding Class* provides a compelling view of how to think about the complexity of class in the world today

The Power of Sociology Gudmundur Oddsson, Jenny M. Stuber, James Michael Thomas, 2025-12-10 Explore the world of sociology through a defining feature of all societies power The *Power of Sociology: Grasping Our Unequal World* introduces students to sociology through the discipline's primary concern the causes and consequences of social inequality and at its core power The central organizing principle of social life power is relevant to every reader and fundamental to all major sub areas of sociology Authors Gudmundur Oddsson Jenny M Stuber and James Michael Thomas weave discussions of power throughout the book and devote a chapter to a broad exploration of the concept To highlight the social impacts of rapid globalization and growing global inequality this book embraces a cross cultural comparative perspective thereby elevating under represented voices from the sociological community around the globe This approach challenges students to see themselves as global citizens capable of making their communities and our world a better place This text is offered in Sage Vantage an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support Instructors see how Vantage works Take a brief self guided tour with our interactive demo

Political Equality. Problems and Achievements of a Contested Concept Linda Vuskane, 2020-01-17 Essay from the year 2011 in the subject Politics General and Theories of International Politics grade 87 Liverpool John Moores University course Political Ideology language English abstract This essay presents an analysis of the highly contested concept of equality While it will touch on the issues

surrounded basic equalities the main focus will be on the concept and achievement of political equality and the problems associated with it The essay concludes that perhaps an absolute equality in any terms is impossible Different forms of equality influence each other hence achieving one form of equality may prohibit achieving another Many inequalities still exist today in any democratic country not to mention those inequalities of people living under non democratic regimes However change is happening as shown by the evolution of the concept of equality And although the achievement of political equality in practice is undermined by the socioeconomic inequalities still existing in all societies political equality is nevertheless an important goal which we have to strive for *Journal of Anthropological Research* ,2021 *A History of Hoarding* Charles Lindell Patton,2015 Historically opportunity hoarding strategies i e tactics to acquire and monopolize valuable resources such as racial threat i e overt discrimination resulting from large proportions of black residents racial residential segregation and jailing have influenced the labor market access of both blacks and whites This research evaluates how opportunity hoarding strategies influenced the unemployment rates of African American and white men in 1940 1960 and 1980 I address these relationships by primarily drawing from Tilly s 1999 Durable Inequality Theory DIT I also draw from Western s 2006 adjusted unemployment rate to analyze how acknowledging those who are imprisoned in the unemployment rate impacts the relationships between opportunity hoarding and unemployment In a diverse sample of 136 U S urban counties net of region percent change in retail employment and the Talented Tenth the findings from my Ordinary Least Squares OLS regression suggest that opportunity hoarding practices were influential on the labor market participation of both black and white males in 1940 1960 and 1980 Focusing on the results for the standard unemployment rates shows that whether observing white or black males proportion black never impacted unemployment segregation was influential in each era while jailing was only influential in 1980 Focusing on the results for the adjusted unemployment rates reveals that proportion black and segregation were influential in 1940 and 1960 while jailing was actually influential in each era Utilizing the results for the adjusted unemployment rates shows that the results limited to the standard unemployment rate are slightly flawed and overlook important indicators of unemployment They also show that the failure of racial threat and the ghetto to effectively marginalize blacks and hoard opportunities for whites led to the use of the criminal justice system as the opportunity hoarding mechanism of choice for American society *Left History* ,2002 *One Nation Divisible* Michael B. Katz,Mark J. Stern,2006-03-16 American society today is hardly recognizable from what it was a century ago Integrated schools an information economy and independently successful women are just a few of the remarkable changes that have occurred over just a few generations Still the country today is influenced by many of the same factors that revolutionized life in the late nineteenth century immigration globalization technology and shifting social norms and is plagued by many of the same problems economic social and racial inequality One Nation Divisible a sweeping history of twentieth century American life by Michael B Katz and Mark J Stern weaves together information from the latest census with a century s worth of data to

show how trends in American life have changed while inequality and diversity have endured One Nation Divisible examines all aspects of work family and social life to paint a broad picture of the American experience over the long arc of the twentieth century Katz and Stern track the transformations of the U S workforce from the farm to the factory to the office tower Technological advances at the beginning and end of the twentieth century altered the demand for work causing large population movements between regions These labor market shifts fed both the explosive growth of cities at the dawn of the industrial age and the sprawling suburbanization of today One Nation Divisible also discusses how the norms of growing up and growing old have shifted Whereas the typical life course once involved early marriage and living with large extended families Americans today commonly take years before marrying or settling on a career path and often live in non traditional households Katz and Stern examine the growing influence of government on trends in American life showing how new laws have contributed to more diverse neighborhoods and schools and increased opportunities for minorities women and the elderly One Nation Divisible also explores the abiding economic paradox in American life while many individuals are able to climb the financial ladder inequality of income and wealth remains pervasive throughout society The last hundred years have been marked by incredible transformations in American society Great advances in civil rights have been tempered significantly by rising economic inequality One Nation Divisible provides a compelling new analysis of the issues that continue to divide this country and the powerful role of government in both mitigating and exacerbating them A Volume in the Russell Sage Foundation Census Series **Annual Report** Bronfenbrenner Life Course Center,1997 **Islam and the Political** Amr G.E. Sabet,2008-05-20 Compares Islamic and Western political formulations highlighting areas of agreement and disparity and encouraging an open dialogue between them *Human Ecology News* ,2000 **Identities, Boundaries, and Social Ties** Charles Tilly,2005 Offering a distinctive coherent account of social processes and individuals connections to their larger social and political worlds this book demonstrates the connections between inequality and de democratization between identities and social inequality and between citizenship and identities Breadwinners and Citizens Laura Levine Frader,2008-03-28 Laura Levine Frader advances the argument that the male breadwinner ideal was stronger in France in the interwar years than scholars have typically recognized Social Change in the Age of Globalization Institut international de sociologie. World Congress,2006 This volume provides a compendium of papers presented at the 36th World Congress of the International Institute of Sociology papers which address issues related to the age of globalization and social change including cultural diversities migration and equality social transformation and national identity Book Review Index ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **International Social Science Journal** ,2005

Decoding **Durable Inequality**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Durable Inequality**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Durable Inequality Introduction

In today's digital age, the availability of Durable Inequality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Durable Inequality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Durable Inequality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Durable Inequality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Durable Inequality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Durable Inequality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Durable Inequality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Durable Inequality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Durable Inequality books and manuals for download and embark on your journey of knowledge?

FAQs About Durable Inequality Books

1. Where can I buy Durable Inequality books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Durable Inequality book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Durable Inequality books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Durable Inequality audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Durable Inequality books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
