

FROM THE AUTHOR OF THE TRIPODS SERIES

A red dragon with large wings is flying over a large, multi-story mansion that is engulfed in bright orange and yellow flames. The scene is set at dusk, with a dark purple and blue sky and silhouetted mountains in the background. The dragon's wings are spread wide, and it appears to be in flight. The mansion has many windows, some of which are lit from within, and the fire is particularly intense around the roofline. The overall atmosphere is one of a dramatic and fantastical event.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
