Dustys Queen Of Hearts Diner:

Dusty's Queen of Hearts Diner Lee Lynch, 2012-06-01 Dusty Reilly fled life on shore for the safety of a Naval career but there was no escape from women who wanted her and who made a peacetime military as dangerous as any war She goes back home to her little factory town and there starts the saga of the diner Dusty and Elly both characters from Lynch's novel *Toothpick House* along with their blind friend Grace the fiery old lesbians Gussie and Nan lively gay Jake and their non gay co workers wage the battle of their lives to keep the dream of Dusty's Queen of Hearts Diner thriving in the face of powerful bigotry Erotic dramatic and very real this is the celebrated first book of *The Morton River Trilogy* **Dusty's Queen of Hearts Diner** Lee Lynch, 1987 *Morton River Valley* Lee Lynch, 2013-02-01 From *Toothpick House* to *The Raid* Lee Lynch has given us our most heart touching stories of lesbian life Join her again in *Morton River Valley* when Texan Paris Collins comes to town and gets to know the characters from the acclaimed *Morton River Valley* trilogy Paris Collins changes jobs and homes every two years Always she leaves behind an astonished lover who refused to believe that Paris would move on Now she's taken a job in a dying New England industrial town where she meets Peg Jacob a tempting local from an old Yankee family Paris gets caught up in protecting the town from environmental threats and education budget cuts And in protecting an angry gay kid from an impoverished frightened and angry town Does she also want to protect herself from Peg Jacob

An American Queer: The Amazon Trail Lee Lynch, 2014-10-01 This collection of Lee Lynch's columns chronicles over a quarter century of queer life in the United States from the last decades of the twentieth century into the twenty first From the beginning of my writing career I just wanted to write about lesbian gay life as I experienced it Like so many I came from a place of great isolation At the same time being gay filled me with great pride and joy Writers Jane Rule Isabelle Miller Radclyffe Hall Valerie Taylor Ann Bannon and Vin Packer gave me inspiration and even the lesbian companionship I needed as a baby dyke More than anything I want to give to gay people what those writers gave me And I want to do it well enough that my words might someday be considered literature and as such might endure because as open as some societies have become there are always haters and cycles of oppression Our writers strengthen us offer a sense of solidarity and validation that we are both more than our sexualities and are among the best that humanity offers *A Magnificent Disturbance* Lee Lynch, 2025-06-10 A gripping and poignant ode to chosen family intergenerational friendship and resolute persistence This is not a good time for Berry Garland to realize her dream of opening a women's health center Florida has become more conservative and women's health raises a red flag Berry's intent to serve victims of domestic violence gay women migrant workers documented or not makes reliance on government funding and the cooperation of local agencies precarious When the owner of Pansy's Caf donates space though MJ Beaudry and her lover Vonnie Lowe's brother volunteer to revamp the space into a health facility Berry's best friend activist Allison Miller is disgusted with the frenzied hurricane of right wing extremism homophobia and violence As mayor of Four Lakes she helps navigate local bureaucracy A community of lesbians

neighbors and patients rise up to protect this critical resource from a shocking saboteur Despite Berry and her partner Jaudon Vicker s devastating life changes at home these everyday dykes and their friends will stop at nothing to see the center thrive Their ideals their wounds and a steadfast allegiance to one another render them heroes

Lesbian Texts and Contexts Karla Jay, Joanne Glasgow, 1990-06 Lesbian writers include some of the most innovative and adventurous writers of this century but only recently have they been given their due attention in terms of critical study This book is the first anthology to discuss the subject of lesbianism as it relates to the critical interaction among readers writers and literary critics It explores lesbian texts in terms of identification meaning and interpretation and examines the complex entanglements of identity voice intersubjectivity textualities and sexualities A wonderful exploration of the varieties of life choices lesbians can and do make This book once again proves that telling the truth about yourself is a revolutionary act Rita Mae Brown They will probably drum Karla Jay and Joanne Glasgow out of the academy for this one A college text that is witty literate interesting and can be read for fun What s the world coming to Lesbian Texts and Contexts dry title wonderful book Barbara Grier Editor Naiad Press To call this collection much needed or eagerly awaited would be the understatement of the year It s thrilling ot think of the new readings of classic texts the new directions for theory and maybe best of all the new range of literary encounters in the classroom that will be enabled by this radical intervention on the critical scene Eve Kosofsky Sedgwick Duke University Excellent challenging sexy never boring Outweek
