Dylan And Cohen Poets Of Rock And Roll:

Dylan and Cohen David Boucher,2004 Bob Dylan and Leonard Cohen are widely acknowledged as the great pop poets of the 1960s This text provides a political psychological and artistic profile of two iconic writers and performers *Dylan and Cohen* David Boucher,2004 Bob Dylan and Leonard Cohen are widely acknowledged as the great pop poets of the 1960s This text provides a political psychological and artistic profile of two iconic writers and performers **Bob Dylan and Leonard Cohen** David Boucher, Lucy Boucher,2021-04-08 Both Dylan and Cohen have been a presence on the music and poetry landscape spanning six decades This book begins with a discussion of their contemporary importance and how they have sustained their enduring appeal as performers and recording artists The authors argue that both Dylan and Cohen shared early aspirations that mirrored the Beat Generation They sought to achieve the fame of Dylan Thomas who proved a bohemian poet could thrive outside the academy and to live his life of unconditional social irresponsibility While Dylan s and Cohen s fame fluctuated over the decades it was sustained by self consciously adopted personas used to distance themselves from their public selves This separation of self requires an exploration of the artists relation to religion as an avenue to find and preserve inner identity The relationship between their lyrics and poetry is explored in the context of Federico Garc a Lorca s concept of the poetry of inspiration and the emotional depths of duende Such ideas draw upon the dislocation of the mind and the liberation of the senses that so struck Dylan and Cohen when they first read the poetry and letters of Arthur Rimbaud and Lorca The authors show that performance and the poetry are integral and the duende or passion of the delivery is inseparable from the lyric or poetry and common to Dylan Cohen and the Beat Generation [Spirituality and Desire in Leonard Cohen's Songs and Poems](#) Peter Billingham,2017-01-06 This volume represents the first ever collection of essays on Leonard Cohen to be published in the UK and one of the very first to be produced internationally The essays range from unique insights offered by Cohen s award winning authorised biographer Sylvie Simmons through to discussions of major themes in Cohen s output such as spirituality and desire and include creative reflections from a filmmaker and poets upon their own creative response to his practice Emerging from a one day symposium organised by Professor Peter Billingham at the University of Winchester UK to celebrate Cohen s 80th birthday this Festschrift collection represents a uniquely stimulating insightful and provocative discussion of the songs and poems of Leonard Cohen combining academic rigour with serious engagement with this remarkable poet and singer songwriter In the wake of the tragic news of Cohen s passing in late 2016 with a legacy of iconic favourites such as Suzanne and Bird on the Wire through to more recent worldwide successes such as Hallelujah and Anthem this book is a must read for cultural studies scholars and Cohen aficionados alike *Cultural Seeds: Essays on the Work of Nick Cave* Tanya Dalziell, Karen Welberry,2016-05-13 Nick Cave is now widely recognized as a songwriter musician novelist screenwriter curator critic actor and performer From the band The Boys Next Door 1976 1980 to the spoken word recording *The Secret Life of the Love Song* 1998 to the recently acclaimed screenplay of

The Proposition 2005 and the Grinderman project 2008 Cave's career spans thirty years and has produced a comprehensive and sometimes controversial body of work that has shaped contemporary alternative culture. Despite intense media interest in Cave there have been remarkably few comprehensive appraisals of his work, its significance and its impact on understandings of popular culture. In addressing this absence the present volume is both timely and necessary. *Cultural Seeds* brings together an international range of scholars and practitioners each of whom is uniquely placed to comment on an aspect of Cave's career. The essays collected here not only generate new ways of seeing and understanding Cave's contributions to contemporary culture but set up a dialogue between fields all too often separated in the academy and in the media. Topics include Cave and the Presley myth, the aberrant masculinity projected by The Birthday Party, the postcolonial Australian-ness of his humour, his interventions in film and his erotics of the sacred. These essays offer compelling insights and provocative arguments about the fluidity of contemporary artistic practice.

Bob Dylan y Leonard Cohen David Boucher, 2017-09-15 Bob Dylan y Leonard Cohen transformaron el arte de leer la música, escuchar la literatura y escribir la historia. La década de los 60 que los vio nacer como artistas los convirtió en voceros involuntarios de una generación privada de derechos, desconcertada y desilusionada del mundo, consternada por la guerra y el fascismo. Este fascinante retrato político-cultural, artístico y psicológico de estos escritores e intérpretes icónicos muestra cómo se convirtieron en los maestros de la expresión emocional en una brújula de los poetas beat, cómo se revolucionaron a sí mismos y a una generación en busca de sus sueños. Sin Dylan anota Boucher es inconcebible que los Beatles hubieran desarrollado más allá de las canciones trilladas y vibrantes de los años 60 o que David Bowie llevara la narrativa de la canción a nuevas alturas. Y Cohen fue el beneficiario de esta liberación llevando la seriedad a nuevos límites.

Bargainin' for Salvation Steven Heine, 2009-05 Throughout his various stages Dylan's work reveals an affinity with the Zen worldview where enlightenment can be attained through self-contemplation and intuition rather than through faith and devotion. Much has been made of Dylan's Christian periods but never before has a book engaged Dylan's deep and rich oeuvre through a Buddhist lens. Back cover

Poetic Song Verse Mike Mattison, Ernest Suarez, 2021-11-01 Poetic Song Verse: Blues Based Popular Music and Poetry invokes and critiques the relationship between blues based popular music and poetry in the twentieth and twenty-first centuries. The volume is anchored in music from the 1960s when a concentration of artists transformed modes of popular music from entertainment to art that entertains. Musician Mike Mattison and literary historian Ernest Suarez synthesize a wide range of writing about blues and rock biographies, histories, articles in popular magazines, personal reminiscences and a selective smattering of academic studies to examine the development of a relatively new literary genre dubbed by the authors as poetic song verse. They argue that poetic song verse was nurtured in the fifties and early sixties by the blues and in Beat coffee houses and matured in the mid to late sixties in the art of Bob Dylan, the Beatles, the Rolling Stones, the Doors, Jimi Hendrix, Joni Mitchell, Leonard Cohen, Gil Scott Heron, Van Morrison and others who used voice, instrumentation, arrangement and production to

foreground semantically textured often allusive and evocative lyrics that resembled and engaged poetry Among the questions asked in Poetic Song Verse are What exactly is this new genre What were its origins And how has it developed How do we study and assess it To answer these questions Mattison and Suarez engage in an extended discussion of the roots of the relationship between blues based music and poetry and address how it developed into a distinct literary genre Unlocking the combination of richly textured lyrics wedded to recorded music reveals a dynamism at the core of poetic song verse that can often go unrealized in what often has been considered merely popular entertainment This volume balances historical details and analysis of particular songs with accessibility to create a lively intelligent and cohesive narrative that provides scholars teachers students music influencers and devoted fans with an overarching perspective on the poetic power and blues roots of this new literary genre

The Encyclopedia of Popular Music: Brown, Marion - Dilated Peoples Colin Larkin,2000
