Can I Get an Amen? Darren F Longuemire Sr., 2019-03-31 *Hello Readers To God be the glory I would like to take a little time to tell you about this book that I have written and how God led me to write it Over the years of growth I can truly say I have developed a personal relationship with Christ He speaks to me he tells me things that only Christ could tell me He often gives me messages in the form of poems That only God can do God gives me the words and I simply write them down I remember the first poem Christ gave me It was a home going poem for my father On June 19 2007 my father went to glory I wanted to say something about my father publicly but I had a fear of speaking before crowds There was something about speaking before a crowd that always gave me a feeling of fear I couldn't let this fear stop me from letting the world know how I felt about this great man I needed to write something down to let people know how I felt about him I experienced a lot of sleepless nights trying to think of words worthy of my feelings for him Two days before the home going I was awakened at 2:00 a.m. by what I believe to be the Holy Spirit I went into another room and within an hour I had written a poem that I felt was worthy enough to tell The church clerk read the poem and mentioned that I wrote it I was complemented for the words I wrote All I could say was to God be the glory Here is the first poem I wrote entitled Greet Us with A Smile Good night Daddy we'll see you in a while When we get to heaven you'll greet us with a smile Mama Kenny Bruce and the rest We want to thank you Daddy for giving us your best Go ahead and sleep Daddy Go ahead and rest We'll see you in the morning though I must confess We're really going to miss you but only for a while Because when we get to heaven you'll greet us with a smile Thank you Jesus for letting us borrow him this long Help us to understand that it was time for him to go home But we all know it's only for a while*

Because when we get to heaven you ll greet us with a smile With all the love that a family could give You ll always be with us because in us you ll always live Go ahead and sleep Daddy but only for a while Because when we get to heaven I know you ll greet us with a smile In loving memory of John Edwin Longuemire Sr May 31 1926 June 19 2007 **Partridge's humorous reciter, compiled by the ed. of 'Partridge's popular reciter'**. Nock,1998 There are two marriages in every marital union his and hers Men and women live in worlds that are organized around gender and their marriages reflect differing realities As life companions they respond to each other but they also respond to the cultural definitions of what it means to be a husband and a wife What has fascinated social and behavioral scientists for several years however is not only that husbands and wives experiences are different but also that his marriage is better than hers Numerous findings have reported that married men are better off than married women on measures of both physical and mental health but the reasons are not yet fully understood In *Marriage in Men s Lives* Dr Nock proposes an explanation to this issue He focuses on marriage as a system of rules customs and expectations The book shows that marriage changes men on basic dimensions of achievement participation in public social life and philanthropy because marriage reinforces such behaviors as part of adult masculinity Men in modern society crave well being comfort luxury and prestige and marriage affords a means of achieving these things within circumscribed legitimate boundaries Using a huge data base of over 6 000 interviews with men the author has studied since 1979 Nock draws some interesting and far reaching conclusions about the nature of marriage and predicts that marriage is definitely here to stay **The Parliamentary Debates (official Report)**.
