Different Cultures in Different US States

- each state is different; they support different things.
- the "cultures" of each state can vary because of the history, political view, and other influencers
- This goes hand and hand with state constitutions because the constitutions are all different depending on what the states want to regulate.
- ex: some state legalize marijuana while some don't
- Majority of the states have specific taxes, while a couple do not.

"Think globally, act locally"

Looking at state and local government:

- think how global issues (Ex- climate change, etc) will effect the state and local government and communities.

All Politics are Local.

- goes through all elections
- Tip O'Neil and Ronald Reagan: opposing parties and they were friends
- O'Neil and Reagans obviously had differences but they were still friends
- that shows that even if they are opposing parties they can still be friend: this is the idea of all politica is local
