

Method of making CHOCOLATE, now in use among the

Spaniards of Mexico. The Fruit being gather'd from the *Cacao* Tree, is dry'd in the Sun, and the Kernel taken out, and roast'd at the Fire, in Iron Peels kern'd full of Holes; then pound'd in a Mortar; then ground on a Marble Stone, with a Grind-er of the same Matter, till it be brought into the Consistence of a Paste; mixing with it more or less Sugar, as it is or is not to sweeten. In proportion as the Paste advances, they add some long Pepper, a little *Achror*, and lastly *Vanilla*: Some add Cinnamon, Cloves, and Anis; and those who love Perfumes, Musk and Ambergris.

There is also a kind of *Mexican Chocolate* in the Composition whereof there enter Almonds and Filberts; but is rather to spare the *Cacao*; and to render the *Chocolate* better; and accordingly, this is look'd on as sophisticated *Chocolate*.

The *Chocolate made in Spain*, differs somewhat from that made in *Alexico*: For besides the Drugs us'd in this last, they add two or three Kinds of Flowers, Pods of Campeche, and generally Almonds and Hazle Nuts. The usual proportion, at *Madrid*, is to a hundred Kernels of *Cacao*, to add two Grains of *Cubib*, or *Mexican Pepper*, or in lieu thereof *Indian Pepper*; a handful of *Anis*; as many Flowers, call'd by the Natives *Pimacacalides*, or little Ears; six white *Rofes* in powder; a little *Macebaga*; a Pod of *Campeche*; two Drachms of Cinnamon; a dozen Almonds, as many Hazle Nuts; with *Achror* enough to give it a reddish Tincture. The Sugar and *Vanilla* are mix'd at Discretion; as also the Musk and Ambergris. They frequently work their Paste with Orange-Water, which they think gives it a greater consistence and firmness.

The Paste is usually made up into Cakes, sometimes into large Rolls.

Sometimes the Cakes are made up of pure *Chocolate*, without any Admixture; those who use it being to add what Quantity they please of Sugar, Cinnamon, and *Vanilla*, when in the Water.

Among us, in *England*, the *Chocolate* is chiefly made thus: first and us'd (the perhaps not unadulterated) of the Kernel of the *Cacao*; excepting that sometimes Sugar, and sometimes *Vanilla* is added: any other Ingredients are scarce known among us.

The newest *Chocolate* is esteem'd the best; the Drug never keeping well above two Years; but usually degenerating more or less at that time.

It is kept in brown Paper, dispos'd in a Box; and that in another, in a dry Place.

The Manner of preparing the *Mass* into a *Liquor*, with the Proportions, are various: Ordinarily, the *Chocolate* is boil'd in Water, sometimes in Milk; and sometimes, good *Cocoa*, or *Cacao*, or Cinnamon; is a dozen Almonds, or agitated with a wooden Machine for the purpose, and boil'd again, till it be of the proper Consistence for drinking; then sugar'd, if the *Mass* were pure; mill'd afresh; and pour'd off.

Note, the best *Chocolate* is that which dissolves entirely in the Water, leaving no Grounds, or Sediment at the bottom of the Pot.

There is a Dispute among the *Casuits*, whether or no *Chocolate* break the Fast: The Negative is very stiffly asserted by *Ger. Brucaccio*, who has wrote expressly on the Subject: the *Stube*, an *English* Physician, has endeavour'd to shew, that there is more nutritious Juice in an Ounce of *Cacao*, than in a Pound of Beef or Mutton.

The Quantity of *Chocolate* made in *New Spain* is such, that there are annually us'd twelve Millions of Pounds of Sugar in the Preparation thereof. The *Spaniards* esteem it the last Misfortune that can befall a Man, to be reduc'd to want *Chocolate*: They are never known to quit it, excepting for some other *Liquor* that will fuddle.

CHOIR, that part of a Church, Cathedral, &c. where the Priests, and *Choristers*, or Singers, are dispos'd. See *Church*.

The *Choir* is distinguish'd from the *Chancel*, or *Stalls*, which the *Convent* is consecrated to, also from the *Nave*, or Body of the Church, where the People sit.

The Patron is said to be oblig'd to repair the *Choir* of a Church; and the Parishes the *Nave*.

The *Choir* was not separated from the *Nave*, till the Time of *Constantine*: From that Time the *Choir* was rais'd in with a *Balustrade*, with Curtains drawn over; not to be open'd till after the Consecration.

In the XIIIth Century they began to enclose the *Choir* with Walls: But the ancient *Balustrades* have been since restor'd; out of a View to the Beauty of the Architecture. The *Chancellor* is Master of the *Choir*. See *Ch*. A cross in the *Choir*, the *Choir* is a large Hall, adjoining to the Body of the Church; separated by a Grate, where the Religious sing the Office.

The Word, according to *Isidore*, is deriv'd a *Coronis circumstantibus*; because, antiently, the *Choristers* were dis-

pos'd round the Altar; which is still the manner of burying Altars among the *Greeks*.

CHOLAGOGUE, a Medicine which purges the Bile downward. See *BILE*, *PURGATIVE*, &c.

Of these some are *simple*, others *compoud*; and both regard to their Activity; the benign, the moderate, and the violent.

Of the first kind are *Manna*, *Cassia*, *Rofes*, *Tamarinds*, &c.

Of the second, *Sena*, *Rhubarb*, *Aloes*, &c.

Of the third, *Jalap*, *Scammony*, &c. See each under its Article, *MANNA*, *CASSIA*, *SENA*, &c.

The Word comes from *χολα*, *Bile*, and *αγωγος*, to lead.

CHOLERA, *Morbus*, a sudden overflowing of the Bile, both upwards and downwards. See *BILE*.

It is suppos'd to have its rise from the great Abundance of bilious Humours, which being very acriminous, velleitate the Membranes of the Stomach and Intestines; and by that means occasion unusual and violent Contractions.

It is very dangerous: Whence the *French* antiently call'd it *Trouble-Gland*.

It has its Name, either from the great Quantity of *Bile* it evacuates; or because the Matter is incessantly expell'd at the Intestines, which they antiently call'd *Cholides*.

Dr. *Sydenham* observes, it generally attacks about the latter end of Summer; and proceeds, not infrequently, from Surcits: That the Cure depends upon large Quantities of Chicken-Broth, drank so as to excite Vomiting plentifully; and that the Broth is also to be injected Clysterwise: after which, he says, the Cure is to be complicated by *Laudanum*, given at proper Intervals, and in proper Doses.

The Remedy in the *Indies* for the *Cholera Morbus*, or *Mundecchin*, is to keep the Patient from drinking; and to burn the Soles of his Feet.

CHOLIDOCHUS, in Anatomy, a Term apply'd to a Canal, or Duct, called also *Ductus Communis*; form'd of the Union of the *Pernis Biliaris*, and *Ductus Cysticus*. See *DUCT*.

The *Cholidocus Ductus*, passing obliquely to the lower End of the *Duodenum*, serves to convey the Bile from the Liver to the Intestines.

Some have imagin'd, that it convey'd the Bile from the Liver to the Gall-Bladder; but it being observ'd, that 'tis the *Duodenum*, not the Gall-Bladder, that swells upon blowing thro' this Duct; 'tis evident the Bile contain'd therein, is convey'd no where else but to the *Duodenum*. See *BILE*, *LIVER*, *GALL-Bladder*, &c.

The Word comes from the *Greek* *χολα*, and the Latin *Ductus*, to lead, &c.

CHONDROGLOSSUM, in Anatomy, a very small Pair of Muscles of the Tongue, mention'd by *Verbeey*, and several other Authors, exceedingly short and narrow; arising from the cartilaginous Processes of the *Osses Hyoides*, and meeting in the Middle of the Basis of the Tongue, where they are infer'd, forming an Arch under it.

This Pair of Muscles is not found in all Subjects; whence some have question'd its Existence; but Nature takes so many Liberties, in Matters even of greater moment than a Pair of Muscles; that we need not on that score dispute the Veracity of so many Authors as profess to have seen it.

CHOP-CHURCH, or *Chop-Chaffer*, a Name, or rather Nickname, given to Parsons who make a Practice of exchanging Benefices.

Chop-Church is us'd in an antient Statute as a lawful Trade, or Occupation; and some of the Judges say it was a good Addition. *Brook* holds, that it was no Occupation, but a thing permissible by Law.

CHOPIN, or CHOPINE, a *French* Liquid Measure; containing half their *Pint*. See *MEASURE*.

The *Paris Chopin* is nearly equal to the *English Pint*. A *Chopin* of common Water weighs a *Paris Pound*.

CHORD, or CORD, primarily denotes a slender Rope, or Cordage. See *CORDE*.

The Word is form'd of the Latin *Chorda*, and that from the *Greek* *χορδη*, a great Gut, whose Strings may be made.

Crotas, or *Coans*, in Musick, are the Strings, or Lines, by whose Vibrations the Sensation of Sound is excited; and by whose Divisions the several Degrees of Tune are determin'd. See *SOUSR*, and *TUNE*.

Some say, they are call'd *Cords*, or *Chords*, from the *Greek* *χορδη*, a Name the Physicians give to the Intestines; in regard, the Strings of Musical Instruments are ordinarily made of Guts: Others are made of Brass or Iron Wire; as those of Spinners, Harpsichords, &c.

Chords of Gold Wire, in Harpsichords, yield a Sound almost twice as strong as those of Brass; *Chords*, or Strings of Steel, yield a feebler Sound than those of Brass, as being both less heavy, and less ductile.

Cyclopaedia Yoga Volume 1 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cyclopaedia Yoga Volume 1 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cyclopaedia Yoga Volume 1 has opened up a world of possibilities. Downloading Cyclopaedia Yoga Volume 1 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cyclopaedia Yoga Volume 1 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cyclopaedia Yoga Volume 1. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cyclopaedia Yoga Volume 1. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cyclopaedia Yoga Volume 1, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cyclopaedia Yoga Volume 1 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Cyclopaedia Yoga Volume 1 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Cyclopaedia Yoga Volume 1 is one of the best book in our library for free trial. We provide copy of Cyclopaedia Yoga Volume 1 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Cyclopaedia Yoga Volume 1. Where to download Cyclopaedia Yoga Volume 1 online for free? Are you looking for Cyclopaedia Yoga Volume 1 PDF? This is definitely going to save you time and cash in something you should think about.
