Cynthia Gregory Dances Swan Lake Cynthia Gregory, Martha Swope, 1990 Text and photographs follow leading ballerina Cynthia Gregory on the day she dances Swan Lake **The Dancer Within** Rose Eichenbaum, 2013-12-01 The Dancer Within is a collection of photographic portraits and short essays based on confessional interviews with forty dancers and entertainers many of them world famous Well known on the concert stage on Broadway in Hollywood musicals and on television the personalities featured in this book speak with extraordinary candor about all stages of the dancer's life from their first dance class to their signature performances and their days of reflection on the artist's life The Dancer Within reveals how these artists triumphed but also how they overcame adversity including self doubt injuries and aging Most of all this book is about the courage commitment love and passion of these performers in their quest for artistic excellence The reader will quickly realize that the dancer within is a metaphor of the human spirit New York Magazine, 1979-12-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Bibliographic Guide to Dance, 1996 Dance Collection Nypl, Thomson Gale, 1997-07 **Bulletin of the Center for Children's Books** University of Chicago. Center for Children's Books, 1990 **Jim Kobak's Kirkus Reviews**, 1990 **Kirkus Reviews**, 1990 Adult books are categorized by genre i.e. fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children's section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical The Cumulative Book Index, 1990 A world list of books in the English language The Elementary School Library Collection, 1998 The New York Times Index, 1979 *Elementary School Library Collection* Linda L. Homa, Ann L. Schreck, Maureen Hoebener, 1998 **Saturday Review**, 1972-10 **School Library Journal**, 1990-07 **Ten Dancers** Holly Brubach, 1982 To the large and devoted American ballet audience of the 1980s the names of these ten dancers are among the most magical stars at the peak of their fame Dance photographer Pierre Petitjean has captured in 200 poetic and candid pictures the real people behind their theatrical presences Petitjean is mesmerized by the dance in the same way that Degas was and his lens can make one see dance as the painter's brush could His fascination is with the totality of dance its many facets both away from the footlights and in performance He has traveled with these dancers for months at a time in Europe and in the United States to see them at home and far from home in class and in rehearsal in the electric final moments backstage before curtain time He has succeeded in revealing the extraordinary transformation from person to

performer that is the dancer's way of life Here are Patricia McBride and Peter Martins of the New York City Ballet Anthony Dowell Natalia Makarova Alexander Godunov Cynthia Gregory Fernando Bujones and Martine Van Hamel of the American Ballet theatre and Patrick Dupond and Ghislaine Thesmar of the Paris Opera Ballet You will see them behind the scenes and in pictures that record the fleeting moments of great performance which dancers must perpetually re create Their biographies based on personal interviews with Holly Brubach display the individuality of each of them which is as striking as the passion they share for their difficult art By juxtaposing the public and private sides of these stars of contemporary ballet this book doubly illuminates the art After seeing Pierre Petitjean's photographs no one can watch these or even other dancers without a sharply heightened sense of what they bring to each dazzling appearance on the stage In Holly Brubach's words If the story these pictures tell has a moral it is that dancing isn't the mystical business it's so often made out to be that ballet for all its romantic illusion is in fact a carefully conceived plan Like architecture it takes into account physical limitations and the law of gravity Ballet may fulfill our longing to be other than we are and at the same time make us realize how fine it is to be human It is that contradiction which lies at the heart of great performances and of these pictures Jacket
