Eyes tells the story of one woman's journey back to physical health and healing of the heart. Sharon's journey will take the reader through childhood abuse with its shadows and secrets, family tragedies, a cascading list of infirmities, and the meandering maze of conventional and alternative medicine in search for answers to her medical mysteries. The reader will be challenged to look at life's horizon with a broader stroke, one life forever changed by her faith in God, the impact of family on her physical, emotional, and spiritual well-being, and the healing miracle of forgiveness. In *Daddy's Eyes* is not only a journey of discovery and transformation but of insight and wisdom only learned through the fire of life. Sharon's odyssey will touch every heart with her honest reflections of family life challenges and endearing trust in God. Hear what others have said about *In Daddy's Eyes*: Dale Evans Rogers, Sharon, your book is amazing. God bless your life. A Lee Guinn, M.D., As a clearinghouse of health information and a lightning rod of spiritual access, Sharon inspires not only her closest friends but also the health professionals that have worked with her and her increasingly enlarging following. Her truth cannot be defined with words only by her living. Her truth is the supreme delight of the human soul. Linda Terrell Goodridge, Your captivating odyssey through adversity mesmerized me. Between laughing and crying, I couldn't put your book down. I was honored to walk with you as each page took me into your very own reality. Your faith inspired and comforted me. Your poems delighted my heart. The medical information you provided has been invaluable to me. Many of us will see ourselves in what you went through on your journey to wholeness. Thank you for your tenderhearted glimpse at family and the power of forgiveness. *In Daddy's Eyes* will be one of my most favorite books. I will refer back to throughout the years. *Her Father's Daughter* Gene Stratton-Porter, 1921. Love story set in and around Los Angeles. Describes the beauty of Southern California. *Things Nobody Knows But Me* Amra Pajalić, 2019-05-01. When she is four years old, Amra Pajalić realizes that her mother is different. Fatima is loving but sometimes hears strange voices that tell her to do bizarre things. She is frequently sent to hospital, and Amra and her brother are passed around to family friends and foster homes and for a time live with their grandparents in Bosnia. At sixteen, Amra ends up in the school counselor's office for wagging school. She finally learns the name for the malady that has dogged her mother and affected her own life: bipolar disorder. Amra becomes her mother's confidante and learns the extraordinary story of her life when she was fifteen years old. Fatima visited family friends only to find herself in an arranged marriage. At sixteen, she was a migrant, a mother, and a mental patient. Surprisingly funny. *Things Nobody Knows But Me* is a tender portrait of family and migration beautifully told. It captures a wonderful sense of bicultural place and life as it weaves between St Albans in suburban Australia and Bosanska Gradiska in Bosnia. Ultimately, it is the heartrending story of a mother and daughter bond fractured and forged by illness and experience. Fatima emerges as a remarkable but wounded woman who learns that her daughter really loves her. **Finding Daddy** Louise Plummer, 2007. Just before her sixteenth birthday, Mira finally tracks down the father she has never known but a few days before meeting him without her mother's or grandmother's knowledge, someone breaks into her home, beginning an escalating series of crimes. **MADONNA:**
