**DANTE'S LIFE AND GENIUS.**

Dante was a very great poet, a man of the strongest passions, a claimant of unbounded powers to lead and enlighten the world; and he lived in a semi-barbarous age, as favourable to the intensity of his imagination, as it was otherwise to the rest of his pretensions. Party zeal, and the fluctuations of moral and critical opinion, have at different periods over-rated and depreciated his memory; and if, in the following attempt to form its just estimate, I have found myself compelled, in some important respects, to differ with preceding writers, and to protest in particular against his being regarded as a proper teacher on any one point, poetry excepted, and as far as all such genius and energy cannot in some degree help being, I have not been the less sensible of the wonderful nature of that genius, while acting within the circle to which it belongs. Dante was indeed so great a poet, and at the same time exhibited in his personal character such a mortifying exception to what we conceive to be the natural wisdom and temper of great poets; in other words, he was such a bigoted and exasperated man, and sullied his imagination with so much that is contradictory to good feeling, in matters divine as well as human; that I should not have thought myself justified in assisting, however humbly, to extend the influence of his writings, had I not believed a time to have arrived, when the community may profit both from the marvels of his power and the melancholy absurdity of its contradictions.

Dante Alighieri, who has always been known by his Christian rather than surname (partly owing to the Italian predilection for Christian names, and partly to the unsettled state of patronymics in his time), was the son of a lawyer of good family in Florence, and was born in that city on the 14th of May 1265 (sixty-three years before the birth of Chaucer). The stock is said to have been of Roman origin, of the race of the Frangipani; but the only certain trace of it is to Cacciaguida, a Florentine cavalier of the house of the Elisei, who died in the Crusades. Dante gives an account of him in his *Paradiso*. Cacciaguida married a lady of the Alighieri family of the Valdipado; and, giving the name to one of his children, they subsequently retained it as a patronymic in preference to their own. It would appear, from the same poem, not only that the
