Dark Miracle:

Dark Miracle Stephen R. George, 2016-08-27 Miracles were happening in Stanhope Minnesota Impossible cures amazing recoveries All due to a pool of pitch black water that had bubbled up mysteriously from the depths of the earth Sometimes it glowed with a beckoning light Sometimes it reflected only glittering darkness It always gave the gift of life but what would it demand in return Ten year old Allison Kent knew her parents hadn't really believed a dip in the famous pool would make her well again They were just pretending so she wouldn't be scared But it did work and she was better except for the cruel voices in her head that whispered of retribution and death And the dangerous uncontrollable powers she had over the world around her Lately she was afraid that whatever lived beneath the water had healed her for an evil purpose all its own Hello Darkness #19, 2026-03-04 Stop and smell the corpses The horrors of winter are behind us but a sinister new season awaits HELLO DARKNESS returns this spring with a fresh bouquet of horror In Freshly Maid a mousy young housekeeper comes face to face with a deathless evil Vibrant visionary Paulina Ganucheau Lemon Bird Can Help She Ra Legend of the Fire Princess delivers a chilling tale of innocence undone where the mess lurking in the shadows isn't something you can simply sweep away In Imposter Syndrome a hapless suburbanite cascading into paranoia and mutilation Innovative creators Tate Brombal Black Hammer The Oddly Pedestrian Life of Christopher Chaos and Piotr Kowalski Deadbox team up for a 9 panel grid of terror In Cassie Part II an all girls softball team heads to the second inning with the forces of hell and the bases are loaded From the minds of Sam Humphries The Legendary Star Lord Our Love Is Real and Eleonora Carlini every pitch turns into a plot twist Join today's top horror storytellers as they dive into the darkest corners of humanity **Dancing on the Edge** Han Nolan, 2014-12-16 The National Book Award winning novel of a young girl's coming of age from the author of Send Me Down a Miracle Twelve year old Miracle McCloy never liked the story of her remarkable birth but her grandmother Gigi has always loved telling it An expert in occult magic Gigi insists that when Miracle was saved from her dead mother's womb it was an omen of greatness to come But how can Miracle become a prodigy like her father when sometimes she feels like she doesn't even exist When her father suddenly vanishes without a trace Miracle's life starts feeling less miraculous by the day The only time she feels whole is when she's dancing an activity her grandmother strictly forbids But shortly after her thirteenth birthday a life threatening incident puts her whole world in a harsh new light And though she does not emerge unscathed Miracle might finally see the truth about her past her family and herself Extraordinary Nolan does a masterful job of drawing readers into the girl's mind and of making them care deeply about her chances for the future School Library Journal starred review Elaborately drawn characters that will surprise readers at every turn Compelling Booklist starred review **Darkroom** Jazzy Danziger, 2012-03-26 In the aftermath of her mother's suicide one young woman recognizes the malleability of her reality From her adolescence in the flat hot Floridian landscape to a tectonic Missouri adulthood a girl shaped by grief is compelled to create and manipulate her image of the world As her dreams become indistinguishable from

daily life she begins to question memory identity and the function of love Employing photography as its central metaphor Darkroom tackles the tangled relationship between memory and mourning by exploring an artist s impossible attempt to re create the object of loss

Nightlife Stephen R. George,2016-09-25 YOUR His eyes glitter like black stars His mouth is a jagged slit He rides in a shiny limousine with plush curtains that block out the sun and waits for darkness to fall WORST He is Richard Carnitch a man of pitiless hate and insatiable hunger No one like Carnitch has ever walked this earth And no one can stop his feeding frenzy as one by one society s outcasts and loners disappear from the streets of the city NIGHTMARE Now a band of survivors is about to fight back Now the prey are about to become the hunters But to stop this hellish nightmare means confronting an evil more unspeakable than death itself and a descent into the ultimate night Asia ,1928
