

Deep Summer

Also known as a Dark Summer or Bright Summer, the most dominant characteristic of Deep Summers is the depth of their look, more than the coolness or lightness of Summer (which they also hold, but to a lesser degree).

Deep Summers often look like they might be Winters, with strong colouring and deep brown or grey eyes. Hair is often dark, and skin can be any colour.

Deep Summer falls at the coolest end of the Summer palette, and if you viewed all four seasons as one continuous spectrum of colour, then Deep Summer's colours would fall nearer to Winter than to Summer or Autumn.

Deep Summer's best colours are usually deep, cool burgundies, soft navy, raspberry pinks and amethyst pinks.

Although most Summers suit a tonal look, you may well find that bringing a degree of contrast into your outfit makes you feel your best - mix darks and lights, or a bold pink or blue in with a more tonal look.
