Up from the Ashes, Finding Hope and Purpose Tiffany Modica, PsyD,2023-12-21 We all encounter waves of difficulties in our lives some strong waves some continuous waves and some subtle waves Altogether these waves can add up so what do we do when overwhelmed with life s challenges Who do we turn to How do we find hope and healing *Up from the Ashes Finding Hope and Purpose* How to Rise Up and Embrace Your Resilience shares the story of author Dr Tiffany Modica s journey through trauma discovering her own resilience finding hope and purpose through her faith in God music and overcoming diverse challenges such as human trafficking foster care abuse and neglect and more In it she discusses her research on resilience and foster youth and attachment trauma and her work in supporting trauma survivors in trauma therapy You were created for a purpose and you too can discover your own resilience and find hope as you join in the journey of this book The Moments of Reflection embedded within the text provides opportunities for readers to reflect on their own journey and engage in contemplative growth moments to build upon Dr Modica s intention in writing this is to provide people with hope for the future the knowledge that they are not alone and opportunities for transformation restoration and recovery from trauma while emphasizing patience and kindness in the process of reclaiming your identity and purpose *Peace and Hope in Dark Times* ,2023-05-25 The papers collected here apply the insights of the philosophy of peace to contemporary issues and the larger problem of what it means to have hope and to work for peace in dark times The authors included in this volume respond to contemporary challenges posed by the Trump Era and the COVID 19 crisis This represents a novel application and exploration of concepts and ideas found in the philosophy of peace and nonviolence The authors elucidate the philosophy of peace and general approaches to building peace while applying these ideas to current crises *Preacher and Homiletic Monthly* ,1884 *On the Threshold of Hope* Diane Mandt Langberg,1999 Offers survivors of sexual abuse spiritual help and healing Discusses the healing process and offers first hand accounts from survivors **The Twentieth Century** ,1911 **Beyond Justice** Varunaj Churnai,2018-07-31 In recent decades scholars have tended to interpret what Job says about death in one of two ways They interpret it either as part of the broader reading of death in the Old Testament or by imposing Ancient Near Eastern mythological concepts upon the text disregarding its nature as part of the Old Testament s wisdom tradition Varunaj Churnai attempts to redress the latter interpretation and treats the book of Job and its development and understanding of death contextually Churnai specifically looks at how Job presents the two faces of God God s wrathful face and God s gracious face Beyond Justice demonstrates that the retribution principle allows humans to know the hidden God as it illuminates the relationship between individual and Creator Through Job s experiences and heartfelt outpouring of his soul before both God s wrathful face and God s gracious face we can know God more fully Churnai shows how these faces of God are reconciled in the two divine speeches of YHWH which invite both Job and the reader to move beyond retribution theology to trust in the graciousness of God **The Book of Hope** Carley Centen,2021-01-12
