Darkness and Light Kevin McClave,1995-02-01 **From Darkness to Light** Karen Gottlieb,1974 *Dark and Light Verse* Allen Lee Ireland,2021-03-30 *Dark and Light Verse* is Allen Ireland's second collection of poems aptly titled since in serious and not so serious verse it captures the darkness and light both in the natural world and in the human spirit The poet's disillusionment is conveyed in various forms but in nearly all of the poems the beauty of expression consoles and art subsumes the anguish

Darkness and Light Emma-Jane Barlow,2020-10-27 First came the darkness then came the light Darkness how she rebuilds herself within love and self discovery Darkness greets us with an articulation of pain that is at once profound and yet completely accessible Light then meets us to bring a much needed solace after the storm The reader arrives at the eye of that storm but gets to leave after the most beautiful poetic description of falling asleep in a lover's arms In the duality of the whole journey that is Darkness Light we feel like we were right there beside Emma Jane throughout the decade that inspired it Emma's collection of poems takes us through her journey in an open and honest way and I have been moved to tears reading them and resonating with their rawness I hope you enjoy this beautiful collection of poems as much I have And to those who suffer I hope this collection helps you find your light through the darkness *Darkness and Light* is a beautifully written poetic memoir by the British poet Emma Jane Barlow The unique poetry collection narrates the poet's journey as a young woman in her early twenties who is constantly struggling with the dark but is also able to find the light by embracing the little things in life Look out for the poems *Prisoner Reflection A Thousand Skins and The Cupboard In The Classroom* from the first half of the collection In the second half of this collection look out for the poems *Polaroid She October Rain and Constellations* As a cautious reader of good poetry I can recommend *Darkness and Light* by Emma Jane Barlow
